

## **2009-10 HANDBOOK CHANGES**

### **After School Return to the Classrooms**

A new policy, effective beginning in the 2009-10 academic year, allows students to return to their classrooms after dismissal for forgotten academic supplies (textbooks, homework..). Immediately after school until 3:30 they may return to their classroom on their own. The school security code will remain active until 3:30. Students returning after 3:30, must first go to the school office. Students in 3<sup>rd</sup> grade and below must be accompanied by a parent. The office will close at 4:00. Students may not re-enter the building after that time.
