

Summer Reading List

Grade 4

The books listed below are suggested summer reading for the fourth grade. You are, however, free to choose whatever books your child wants to read. Your child is required to read a minimum of 4 books this summer. Attached you will find a Summer Reading Log. The students will fill in this reading log with the title and author of each book. When they complete each book the parents will sign the log. The log will be turned in the first day of school in August. Please find a book that your child can accomplish reading on their own, a book at their level. This will ensure they get the most out of their summer reading. Professional basketball players still have to practice their dribbling skills, your child needs to practice reading. It really is the only way to become more proficient.

SUGGESTED READING

Virginia Bound	Amy Butler
Trading Places with Tank Talbott	Dori Hillestad Butler
The Winner's Walk	Nancy Ruth Patterson
White Water	P.J. Peterson
Mighty Jackie: The Strike-Out Queen	Marissa Moss
Tracks in the Snow	Lucy Jane Bledsoe
Everything on a Waffle	Polly Horvath
The 13 th Floor: A Ghost Story	Sid Fleischman

In order to make a smooth transition into fourth grade, please practice the math facts (+, -, x, ÷). We have provided a math fact practice table. Please practice a minimum of 30 minutes per week and sign the form at the completion of each week.

In fourth grade it is mandatory that your child complete all assignments in cursive handwriting. It would be beneficial for your child to become comfortable with cursive over the summer. Please refer to their third grade handwriting book to ensure that they are forming the cursive letter correctly.

Thank you very much. We are looking forward to working with your child and toward a wonderful fourth grade year. We hope you and your family have a wonderful summer!

God Bless
Mrs. Yenke and Mrs. Gadell
