- All sweaters for K-8 will be black
- New Middle School Boys tie with crest on it available in two sizes
- New Middle School Girls kilt
- All polo shirts, sweaters and PE gear will have the school crest on it instead of STS oval logo

Frequently Asked Questions

Q - Do we have to purchase the new uniform items or can we continue to wear the uniforms that we have?

A - These new options will be the only options available for sale through Flynn O'hara moving forward. You can continue to wear the brown sweaters and gold PE shirts until the start of the 2022-23 school year.

Q - Do the khaki uniform items have to be purchased at Flynn O'hara?

A - With the exception of the new middle school girls kilt, khaki items do not need to be Flynn O'hara brand and can be purchased from other retailers.

Q - Where can I purchase the black quarter zip?

A - Ordering details for the black quarter zip will be available in the next few weeks.

Q - Are the middle school girls kilt and new middle school boys tie required for the 2020-21 school year?

A - The new kilt and new tie are required for all 6th graders, and optional for 7th and 8th graders this school year. (If khaki skorts are worn they must be an appropriate length). We will be phasing out the khaki skort and striped tie completely starting the 2022-23 school year.

Q - Will the Tiger Closet be open and what can I purchase from it?

A. The Tiger Closet is currently closed, but we are hopeful that we will be able to reopen this summer. The new middle school girls kilts, Peter Pan blouses, khaki shorts, and pants, plaid skorts and jumpers, and more will be available while supplies last. Any items with our outdated school crest or vertical STS logo will not be available. Look for updates on Tiger Closet hours on the school website and Tuesday Tidbits.
