The Peter Menke Awards for excellence in athletics are presented to:

Jasmine Whitney and **John Schmank**

Bishop Thomas Welsh was the first bishop of the Diocese of Arlington. In 1974, he was appointed by Pope Paul VI to become the founding bishop of our diocese.

Much of the success that our diocese enjoys today is the direct result of the strong foundation and leadership established by Bishop Welsh.

This year we are proud to present the Bishop Welsh medal to two graduating seniors. The Bishop Thomas Welsh medal for Outstanding Leadership is presented to **Colin Armstrong and Taylor Marsengill**.

These two medals are named in honor of St. Francis De Sales and St. Jane de Chantal.

The graduates who receive these medals were chosen by the faculty to be the students who best exemplify the qualities of St. Francis de Sales and St. Jane de Chantal.

St. Francis De Sales, the Patron Saint of Paul VI Catholic High School, was a teacher. As a teacher, he had a love of knowledge and a desire to help others discover their God-given talents. He is known as the "Gentlemen Saint" for his love of God and respect for his fellow man.

On behalf of the Paul VI faculty, the St. Francis de Sales medals are awarded to: **Aiden Grealish, Joseph Rogowski and David Urlwin**

St. Jane de Chantal was known throughout her life to be extremely compassionate and caring. As a woman of faith, she was able to persevere and maintain a positive spirit despite the many trials she experienced. She was a model of true forgiveness. St. Jane shared St. Francis de Sales gifts of humility and generosity.

On behalf of the Paul VI faculty, the St. Jane de Chantal medals are awarded to: **Eufresa Harris, Jennifer Preston and Chelsea West.**
