World Mission Rosary Campaign

Let's pray the rosary for the Missions! Our goal is to present our Diocesan Director of the Propagation of the Faith, a "spiritual bouquet" of rosaries said for the Missions. To keep tally of how many rosaries have been prayed, we will put up a rosary outline in the main hall. For every 25 rosaries said, we will "fill-in" a bead. Rosaries must be said outside of school hours, by a student, and parents must verify the number of rosaries said with a signed note, or using the form included. Let's see how quickly we can "fill-in" the entire rosary!
