

Saint Timothy Catholic School

Dear Prospective St. Timothy Catholic Preschool Families,

St. Timothy Catholic Preschool partners with you in the academic, social, and religious formation of your child. We recognize the unique and God-given potential of each child, leading them in their discovery of faith and fostering the love of learning all within the context of a preschool through 8th grade school.

Why choose St. Timothy Catholic Preschool?

Our Faith Environment:

Our Catholic faith permeates all that we do; our very existence is rooted in faith. Students pray daily, have weekly religion lessons, attend monthly chapel, and learn to have a personal relationship with God.

Our Joy:

Preschool is fun! Our students learn through hands-on activities. We build block towers, play pretend games, sing songs, use play dough, create art, and read stories. We learn about nature, play dress-up, make patterns, practice sorting, play with trucks, and have iPad centers. These purpose-driven activities allow students to explore and learn while having fun. Hands-on activities are the students' primary form of learning.

Our Curriculum:

Our curriculum is designed to enhance social and emotional development, cognitive learning, language development, self-help skills, small motor, and large motor development in preparation for kindergarten. Weekly themes (such as friendship, pumpkins, and community helpers) provide a natural context for incorporating all aspects of academic learning. Technology (SmartBoards and iPads) is used appropriately to support learning.

Our Teachers:

The two teachers in every classroom are fully committed to the vocation of Catholic education. They lead the children in their academic discoveries, teach social skills, and nurture a love of learning. All teachers are fully certified by the diocese and meet or exceed state licensing requirements.

Our Partnership:

St. Timothy Catholic Preschool supports parents in their role as primary educators. We seek to partner with you in your child's first years of education and continue that relationship through elementary school. We welcome your involvement in our learning community.

Saint Timothy Catholic School

Our School Setting:

Being located within an elementary school brings our program significant resources. Preschool students have enrichment classes (Spanish, library, music, science lab) with the elementary school teachers. Our staff works with the kindergarten team to ensure vertical alignment of the curriculum. A school nurse and counselor also support our students.

Our Commitment to Safety:

Our Child Protection Plan helps to ensure that everyone within the building is partnering to keep kids safe. Preschoolers use tote bags to identify them as our youngest learners within the school. Security cameras, locked doors, and visitor badges enhance school safety.

Our Invitation to You:

Come be a part of our learning community. We are strong in academics and rooted in faith. I meet with every family to begin the application process. Please email me at jevans@sainttimothyschool.org to schedule a tour. We accept applications in November for the following school year.

God Bless you,

Julie Evans
