I. PHILOSOPHY OF EDUCATION/MISSION STATEMENT

DIOCESAN PHILOSOPHY OF CATHOLIC EDUCATION

Go, therefore, and make disciples of all nations teaching them to carry out everything I have commanded you.

Matthew 28:19-20

These words of Christ addressed to the apostles at the Ascension bestowed on the Church the office of teacher. Obedient to this divine challenge, the Church provides education permeated with the spirit of Christ and dedicated to promoting the full development of the human person.¹ The two-fold goal of Catholic schools is to provide an environment which will foster rich religious training as well as solid academic education in a Catholic, value-oriented manner.

¹ Declaration on Christian Education #3

DIOCESAN MISSION STATEMENT

The Catholic schools in the Diocese of Arlington are an essential component in the educational ministry of the Church. Our schools are committed to providing an education rooted in the Gospel of Jesus Christ where Catholic doctrine and values and academic excellence prepare each student for a life of faith, service, and integrity.

SCHOOL MISSION STATEMENT/PHILOSOPHY

Saint Timothy Catholic School joyfully instills a love of Christ and empowers every child to achieve, lead and serve with integrity and compassion.

STUDENT/PARENT HANDBOOK

Each school shall utilize the Office of Catholic Schools (OCS) template to develop and distribute a handbook for students and parents/guardians. All local policies and procedures must be in conformity with the Office of Catholic Schools' policies, guidelines and regulations.

A committee, representative of the total school community, shall be involved in the development and periodic revision of this handbook. The handbook shall be updated annually to reflect policy and procedural changes. Principals shall establish a process for review and revision of local school policy to ensure changes reflect the input of key stakeholders. All parents, along with students in middle and high school, are required to provide a signature of receipt acknowledging they have read the rules and regulations outlined in the handbook, and they agree to abide by

those rules (*Appendix AG-1 and AG-3*). An acknowledgment form will be provided to students upon receipt of the handbook. The form must be signed and returned by Friday of the first full week of school. Failure to have a signed form on file will not prevent the school from enforcing its policies and/or prevent a student from enrolling or continuing to be enrolled at the school.

Faculty and staff members shall be given access to all school handbooks.

In light of the unique situations which may arise in the educational process, and because it is impossible to foresee all school issues that arise, the faculty and administration reserve the right to address and to take appropriate action for any such situations not specifically referenced in this handbook. In addition, in view of the unique and essential religious mission of the school, it is expressly understood that the school may take action in cases where moral offenses occur which reflect adversely on the school, the Catholic Diocese of Arlington, or the Roman Catholic Church, or which interfere with the ability of the school to perform its religious mission or effectively maintain the intimate working relationship of the school and the Community of Faith.

This handbook may be modified by the school after reasonable notice to the parents/students of the effective date of any changes. Any section headings are for convenience of use, and shall not affect the interpretation of any provisions. If the school should elect not to take action in a particular situation, this shall not be construed or interpreted as a waiver, or preclude the school from acting in a subsequent situation of the same or similar kind.

Handbooks and all subsequent changes are subject to prior written approval by the Diocese. To the extent any local handbook or policy statement therein may be inconsistent with the policies, guidelines, or regulations of the Office of Catholic Schools, the Office of Catholic Schools' policies, guidelines, or regulations shall be of controlling force and effect.

PARENTAL/GUARDIAN ROLE

In this handbook, the term “parent” refers not only to a child’s natural or adopted parent, but to a student’s non-parent legal guardian or to any person or agency authorized to act in place of parents.

Since parents/guardians have given their children life, the Catholic Church recognizes parents as the primary and principal educators of their children. The Catholic parents’ promise at baptism to raise their children Catholic supports this premise. The Catholic school exists to assist parents in the Christian formation of their children. Since the school is a continuation of the education children are receiving at home, diocesan schools should demonstrate respect and support for the parents in their important and challenging task.

As foundation for a faith-community, parents are invited and encouraged to participate in the school’s celebration of prayer and liturgy.

Parents are encouraged to participate in the programs which are developed for the education of

their children. The wide spectrum of this involvement includes volunteer work, participation in parent-teacher conferences, attendance at meetings and seminars designed to help parents assist their children at home, and active involvement in the school's Parent-Teacher Organization.

Parents are expected to support the school's mission and commitment to Christian principles and support the school policies as outlined in school handbooks (i.e., annually sign the school's Handbook Agreement Form). One of the conditions for initial and continued enrollment at the school is receipt of this signed form indicating the parent's support of the school's philosophy, policies, and regulations.

If a parent repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students, or displays disrespectful, disruptive or harassing behavior toward teachers or toward school, parish, or diocesan staff (in verbal, written, or digital form), the school may take corrective action. Such corrective action may include, at the discretion of the principal (and, for parish schools, the pastor of the parish) the following: imposition of particular rules or procedures the parent must follow in interacting with the school and its students and staff; restriction or termination of the parent's access to school or parish property; dismissal of the parent's child(ren).

The school may impose other appropriate corrective action, without prior recourse, based upon the nature of the parent's conduct and the surrounding circumstances.

SEXUAL IDENTITY POLICY

The Diocese of Arlington is committed to providing a safe environment that allows students to develop and prosper academically, physically and spiritually, consistent with Catholic teachings and principles affirming that the body reveals each person as male or female and that the harmonious integration of a person's sexual identity with his or her sex is an expression of the inner unity and reality of the human person made body and soul by God and in the image and likeness of God. In fulfillment of these religious truths, our Catholic educational environment shall reflect a relation to persons (including name and pronoun usage, uniforms, access to facilities and overnight accommodations, and eligibility for single-sex curricular and extracurricular activities) that is respectful of and consistent with each person's God-given sexual identity.

Recognizing that each person is created in the image and likeness of God ensures that dignity is safeguarded, and safe environments are fostered. When parents send their children to Catholic schools and when persons choose careers in Catholic education, they should expect an environment consistent with the truth that God-created sexual identity speaks to His vision for each person's relationship to Him, oneself and others. Behavior and expressions of a person's sexual identity within the school environment that are inconsistent with these principles and/or which cause disruption or confusion regarding Catholic teachings on human sexuality are prohibited. The full cooperation with this policy of school officials, faculty, parents and students is required and a condition precedent to the continued enrollment of each student and the

continued employment of each employee, and the enforcement of this policy by the school is deemed a spiritual mandate.

NON-DISCRIMINATION CLAUSE

Catholic Schools, administered under the authority of the Catholic Diocese of Arlington, comply with those constitutional and statutory provisions, as may be specifically applicable to the schools, which prohibit discrimination on the basis of race, color, sex, age, marital status, disability, national origin, or citizenship in the administration of their educational, personnel, admissions, financial aid, athletic, and other school-administered programs.

This policy does not preclude the existence of single sex schools, nor does it conflict with the priority given to Catholics for admission as students. This policy also does not preclude the ability of the school to undertake and/or enforce appropriate actions with respect to students who advocate on school property or at school functions, any practices or doctrines which are inconsistent with the religious tenets of the Catholic faith.

NON-CATHOLIC STUDENTS

The presence of students from other faiths provides a wonderful diversity to the school. However, the presence of non-Catholic students in the school shall not alter the primacy of Catholic religious formation as an integral component of the school's educational program. As such:

- a. Non-Catholic students are expected to participate in the religious formation and education programs of the school.
- b. Non-Catholic students must participate in liturgies (except for reception of the Eucharist), retreats, other religious functions, and religion classes for credit.
- c. Non-Catholic students may be exempt from formal co-curricular or extra-curricular sacramental preparation programs but not from the catechesis held during the school day.
- d. All students are expected, for testing and discussion purposes, to be knowledgeable of the Catholic Church's positions on scripture, revelation, and moral practices. While Catholic teaching respects the various faith traditions of the students attending the Catholic school, parents/guardians must be aware that it is the Catholic position that will be taught.

II. ACADEMICS

CURRICULUM

Curriculum encompasses the sequentially ordered learning experiences which the school provides for its students. The total curriculum includes the development of Catholic values and attitudes, as well as the attainment of knowledge and skills necessary for the student's spiritual, moral, intellectual, social and physical development.

The basic curriculum for the school (but not necessarily for each grade level) includes the following subjects: Religion, Reading, Language Arts (English, Spelling, Handwriting), Mathematics, Science, Social Studies, Fine Arts (Art and Music), Health and Safety, Physical Education, Technology, Library and World Languages.

The following path is outlined for those students capable of completing High School Geometry in the eighth grade.

GRADES FIVE TO SIX

For placement in Pre-Algebra in the sixth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Standardized test.
- b. Class grade in 5th grade math: 93 or above.
- c. End of year diocesan comprehensive grade-level test: 93 or above (recommended time of testing – May of 5th grade year).
- d. Favorable teacher and principal recommendation.

GRADES SIX TO SEVEN

For placement in Algebra I in the seventh grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Standardized test.
- b. Class grade in Pre-Algebra: 93 or above.
- c. Iowa Algebra Aptitude Test results: 85 or above (recommended time of testing – May of 6th grade year).
- d. Favorable teacher and principal recommendation.

Because the Algebra I course incorporates numerous word problems that students need to solve, a teacher's recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

GRADES SEVEN TO EIGHT

For placement in Geometry in the eighth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 96 or above on the Spring Standardized test.
- b. Class grade in Algebra I: 93 or above.
- c. Scoring 77 or above on the Diocesan Algebra I exemption exam.
- d. Favorable teacher and principal recommendation.

The following path would be followed by those students identified as capable of completing Algebra in the 8th grade.

GRADES SIX TO SEVEN

For placement in Pre-Algebra in the seventh grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 93 or above on the Spring Standardized test.
- b. Class grade in 6th grade math: 93 or above.
- c. End of year diocesan comprehensive grade-level test: 93 or above (recommended time of testing – May of 6th grade year).
- d. Favorable teacher and principal recommendation.

GRADES SEVEN TO EIGHT

For placement in Algebra I in the eighth grade:

Students must satisfy the following criteria:

- a. Math Composite standardized test score National Percentile: 93 or above on the Spring Standardized test.
- b. Class grade in 7th grade math: 93 or above.

- c. Iowa Algebra Aptitude Test results: 80% or above (recommended time of testing – May of 7th grade year).
- d. Favorable teacher and principal recommendation.

The Algebra I course incorporates numerous word problems that students need to solve. A teacher's recommendation should take into consideration the reading comprehension standardized test score when making a final decision for placement in Algebra I.

Eighth grade students must satisfy the following criteria to receive credit for Algebra I instruction and placement in the next level of high school math instruction:

- a. Pass the Algebra I course.
- b. Score 77 or above on the Diocesan Algebra I exam.
- c. Receive teacher recommendation for placement in the next level of high school math instruction.

If a student does not score 77 or above on the exam, a compelling case made by the teacher through the use of the Teacher Recommendation Form (*Appendix X*). The form is then forwarded to the high school. The decision of the high school will be final.

VIRTUAL INSTRUCTION

1. Maintain effective communication between teachers, students and families about the virtual learning plan.
2. Teachers should be available throughout the day for questions and feedback.
3. Feedback is paramount and students should be accountable for their work. Assignments shall be assessed in a timely manner to provide feedback to the student.

ACCOMMODATIONS FOR INDIVIDUAL DIFFERENCES

The school recognizes the beauty and potential inherent within each student. In an effort to foster continued growth, the school embraces the opportunity to provide assistance and services for students with disabilities according to the resources available within/to the school. Parents/guardians are considered an integral part of the process.

In order to accommodate a student who has been evaluated for special learning needs, parents are obligated to share educational/psychological testing results and any resulting plan with the school. The refusal to provide such information is grounds for terminating enrollment in the school. A student may be admitted on a probationary basis with dates and criteria of evaluation

clearly established in writing.

If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. Students who have a documented disability, but do not qualify for services through the local public school, may be eligible for interventions through a Student Assistance Plan written at the Catholic school.

When a student qualifies for special education services through the public school and will not receive services, an Individualized Catholic Education Plan can be written following the information in the Guidelines for Serving Students with Disabilities.

Students with disabilities are expected to follow the school's policies and honor code.

IMPLEMENTATION OF FAMILY LIFE PROGRAM

Catechesis in sexuality is an important and sensitive component of a comprehensive program of catechesis. According to the Second Vatican Council, "As they (children and young people) advance in years, they should be given positive and prudent sexual education." Education in sexuality includes all dimensions of the topic: moral, spiritual, psychological, emotional, and physical. Its goal is training in chastity in accord with the teaching of Christ and the Church, to be lived in a wholesome manner in marriage, the single state, the priesthood, and religious life.

TEXTBOOKS/SUPPLEMENTAL MATERIALS

Saint Timothy Catholic School provides all required textbooks for specific subject areas. In lieu of an annual textbook fee, all fees have been included in the tuition payment. This includes fees which help to cover the cost of supplemental workbooks, also provided by Saint Timothy Catholic School. In addition, each student should access, on the school website, a list of supplies required for each grade level.

RESPONSIBLE USE POLICY FOR TECHNOLOGY AND ARTIFICIAL INTELLIGENCE (AI) IN EDUCATIONAL SETTINGS

There is no expectation or right to privacy or right to freedom of speech when using the school's computer resources, which are the school's property. Any use of the school's computers and internet access must be in support of education and research and be consistent with the educational objectives of the Diocese of Arlington Office of Catholic Schools.

Using school facilities for internet access and e-mail is a privilege, not a right. Inappropriate use which includes, but is not limited to: unauthorized transmittal or improper use of copyrighted materials or materials protected as trade secrets; transmission of threatening or obscene materials; vandalism of computer files; and violation of computer security as determined by the school administration can result in a cancellation, denial, suspension and/or revocation of those privileges by the school administration and also subject the student to other disciplinary action.

Electronic and/or digital communications with students should be conducted for educationally appropriate purposes and employ only school-sanctioned means of communication.

Users must adhere to local school policy that may further define uses of mobile devices. Access will be determined by the administration of the school. If a particular mobile device is to be used for an educational purpose, the school administration and/or teacher will provide parameters for this use.

Additional responsibilities for use of school facilities for the internet and e-mail are:

- a. When using networks or computing resources of other organizations, students must observe the rules of that organization regarding such use.
- b. Users should not reveal their personal addresses or phone number(s) and shall not reveal the personal address or phone number(s) of others without their authorization/permission.
- c. Users are reminded that e-mail is not guaranteed to be private. Operators of the network/system have access to all e-mail. Messages relating to, or in support of illegal activities, may be reported to the authorities.
- d. Students shall immediately notify the system administrator/school administration if they suspect that a security problem with the system and/or the internet exists.
- e. Any attempt to log onto the internet or the school's network/system as a systems administrator will result in a loss of user privileges at the school. Any user identified as a security risk by the school administration/systems administrator due to a history of actual or suspected unauthorized access to other computer(s), network(s), or system(s) may be denied access to the school's computers, networks, and/or systems.
- f. Users of artificial intelligence (AI) shall generally abide by:
 - i. Teachers and administrators are responsible for supervising students using AI technologies to ensure compliance with this Acceptable Use Policy (AUP).
 - ii. Users are accountable for their actions when using AI technologies. Any misuse or violation of this AUP may result in disciplinary action.
 - iii. Students must use AI technologies in a respectful and responsible manner, treating others with courtesy and consideration in both virtual and physical interactions.
 - iv. Students are expected to create and consume content that is appropriate for an

- educational setting. Content that is offensive, discriminatory, or violates school policies is strictly prohibited.
- v. Users should create and access AI content appropriate for an educational environment. Permission and supervision by a teacher or school administrator are mandatory for students to use AI tools at school. Please note that many AI programs require users to be at least 13 years of age for use. Schools should be thorough in their research of the AI programs' Privacy Policy.
- g. Users shall abide by generally accepted rules of network etiquette, which include but are not limited to:
- i. Messages to others shall be polite and shall not be abusive.
 - ii. Messages shall use appropriate language and shall not use obscenities, vulgarities, or other inappropriate language.
 - iii. Use of the network shall not disrupt use of the network by others.
- h. The diocese/school makes no warranty of any kind, whether express or implied, for internet service. The diocese/school will not be responsible for any damages suffered. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence, user errors, or omissions. Use of any information obtained via the internet is at the user's risk. The school specifically denies any responsibility for the accuracy or quality of information obtained through internet sources.
- i. Examples of Unacceptable Uses – Users are not permitted to:
- i. Use technology in sexting or cyber bullying: to harass, threaten, deceive, intimidate, offend, embarrass, or annoy any individual.
 - ii. Post, publish, or display any defamatory, inaccurate, violent, abusive, profane, or sexually oriented material. Users must not use obscene, profane, lewd, vulgar, rude, or threatening language. Users must not knowingly or recklessly post false information about persons, students, staff, or any other organization.
 - iii. Use a photograph, image, video, or likeness of any student or school employee without express permission of the individual, individual's parent/guardian, and the principal.
 - iv. Create any site, post any photo, image, or video of another except with express permission of the individual, the individual's parent/guardian, and the principal.
 - v. Attempt to circumvent system security.
 - vi. Deliberately visit a site known for unacceptable material or any material that is not in support of educational objectives.
 - vii. Violate license agreements, or copy other protected media.
 - viii. Use technology for any illegal activity.
 - ix. Use of the internet for commercial gains or profits is not allowed from an

educational site.

- x. Breach confidentiality obligations of school or school employees.
- xi. Harm the good will and reputation of the school or school employees.
- xii. Transmit any material in violation of any local, state, or federal law. This includes, but is not limited to: copyrighted material, licensed material, and threatening or obscene material.

Users must immediately report damage of school equipment to the appropriate school officials. The school has the right to monitor student use of school computers, computer-accessed content, AI, and social media. Social media refers to activities that integrate technology, telecommunications, and social interaction through the use of words, images, video, or audio tools. Examples include, but are not limited to, social websites, blogs, message boards, wikis, podcasts, image and/or video-sharing sites, live webcasting, and real-time communities. Because this is a constantly evolving area, this policy applies to all new social media platforms whether or not they are specifically mentioned in this policy.

Violation of the above policy will be dealt with by the administration of the school. Violation of this policy may result in any or all of the following:

- a. Loss of use of the school network, computers, and software including Internet access.
- b. Disciplinary action including, but not limited to, dismissal and/or legal action by the school, civil authorities, or other involved parties.

The school retains the right to discipline students for their actions, regardless of when or where they occur, when those actions negatively impact the school's image, reputation, and/or the safety and well-being of the school community. This covers inappropriate behavior in cyberspace including but not limited to messages, chat room commentary, comments/pictures, videos, postings on social networking sites, blogs, wikis, gaming chats, digital transmissions, and other technology related activity.

It is the responsibility of the parent/guardian to monitor the use of student devices when off campus.

All fifth through eighth grade students and their parents/guardians are required to sign the Acceptable Use Policy for the 1:1 Chromebook Program, located on our school website.

TESTING

The school's testing program is intended to assist teachers and administrators in a systematic evaluation of the academic and religion programs, to identify students' strengths and weaknesses, and to aid in the revision of the curriculum and planning of instruction.

In addition to academic tests for grading purposes, the school will administer standardized religion and achievement tests according to the diocesan testing program. All eighth grade students take the high school placement test used in determining placement in diocesan high schools. Teachers are encouraged to review the format, and style of the High School Placement Test as well as test taking strategies with their students. Extensive class time to prep students for this test is not encouraged.

HOMWORK

Homework reinforces skill acquisition, retention of content knowledge, and formation of good study habits. Although homework has different purposes at different grades, homework is required at all grade levels. The amount of homework a child may have on any given day will vary depending upon the nature of the assignment, the amount of work the child completes in school that day and the speed at which the child completes his/her work at home.

SUGGESTED TIME ALLOTMENTS

Below are the Office of Catholic Schools' guidelines for homework. Homework does not have to be assigned every day, but should generally fall within these ranges:

- Grades 1-3: 10 to 30 minutes daily
- Grades 4-6: 30 to 60 minutes daily
- Grades 7-8: 60 minutes to 2 hours daily

Homework and study times are essential for teaching students a sense of personal responsibility. Parents/guardians are encouraged to reference Schoology or to contact the teacher with questions related to homework assignments. Students in grades 5-8 are encouraged to contact their teachers through email or Schoology for support or questions related to homework whenever possible.

Students may return to school after dismissal to request assistance with forgotten books and materials prior to 3:45 p.m. They must check in with the office staff before proceeding to their classroom. This is for the safety of the students, as school personnel are not on site to provide supervision. If a teacher is not present to supervise, the student will not be permitted to retrieve their materials.

Students are expected to make up classwork and homework missed due to absences. Due dates for make-up assignments are determined by the classroom teacher. Missing work will be provided to students upon their return to school after an illness. If your child is home sick, please do not call in for missing work. We are committed to allowing students the time needed to recover so that they will be well enough to return to school. In the event of extenuating circumstances, the school administration should be contacted.

PARENT-TEACHER COMMUNICATION

Teachers are expected to be reasonably available to parents/guardians throughout the school year to keep the lines of communication open in the best interest of the students. Parent-teacher conferences can be scheduled throughout the school year if necessary. Parents should first privately contact a teacher with any concerns about a student or class concerns before seeking intervention by the school administration.

In the event a parent desires to discuss a problem with his/her child's teacher, the parent should make an appointment for a private meeting with the child's teacher. Teachers welcome the opportunity to discuss a matter of concern with parents before it becomes an actual problem. Any parent who wishes to speak with the principal may request to do so after an initial meeting with the classroom teacher. Similarly, parents should discuss matters of concern with the school principal, and pastor when necessary, before bringing them to the Office of Catholic Schools.

SCHEDULING AND OTHER CONFERENCE INFORMATION

Parent-teacher conferences are scheduled for each student in the fall following the completion of first trimester. Conferences involve a sign up for appointment times, shared with families via email. Other conferences may be scheduled throughout the year, as needed, and as requested either by the parent or the teacher.

Parents/guardians are invited to contact their child's teacher prior to the first conference or at any time throughout the year, if they are interested in scheduling a conference. Conferences may be held virtually.

GRADING/REPORT CARDS

Evaluation of the student is based on teacher judgment and observation of the student's daily work, class participation, effort, and performance on teacher-prepared assessments to include but not limited to tests, projects, portfolios, and other tools of assessment.

The purpose of report cards is to present to parents/guardians information about how their student is performing in his/her academic studies, and to alert them to any problems.

Students with identified disabilities who have a current IEP or Student Assistance Plan should receive an asterisk on their report card grade when modifications have been made to the curriculum. A modification changes the content, instructional level, or student workload of subject matter or tests. Conversely, accommodated programs should not be denoted.

GRADING SYSTEM

Grades 3-8 use numeric (percentage) grades. Below 70 is designated by an F.

INDICATORS FOR EFFORT, SPECIALS, AND PERSONAL DEVELOPMENT:

- 3 Very Good
- 2 Satisfactory/Good
- 1 Needs Improvement
- X Unsatisfactory

HONOR ROLL REQUIREMENTS

Students in grades 5-8 may qualify for the Honor Roll by earning a 90 or above in all courses and a 2 or above in all personal development categories. A 1 or X in any category on the report card excludes students from qualifying for the Honor Roll.

PROMOTION/RETENTION/PLACEMENT POLICY

A major goal of the school is to help students to complete each academic year satisfactorily. The repetition of a grade is recommended when it is deemed by the school to be necessary and advantageous to the particular needs of the student.

- a. The final decision to promote or retain a student is based on the student's academic performance and best interest as determined by the principal.
- b. Teachers will notify parents/guardians if their child is not progressing satisfactorily toward a passing grade in the course.
- c. Elementary students failing one or two academic areas must successfully complete a remediation program approved by the principal in order to be promoted to the next grade. If a student fails three or more core academic subjects, the student will not be promoted to the next grade.
- d. Students who have not successfully completed summer school or another program

approved by the principal but would not benefit from being retained in the grade may be “placed” in the next grade level; however, the school must prepare and implement an “Academic Intervention Plan” for the student as a condition of placement.

SCHOOL COUNSELORS

School counselors are available to confer with students in areas which may extend beyond academic matters. While the conferences are generally confidential, the counselor may need to disclose certain information to parents/guardians, school administration, or other authorities.

III. ADMINISTRATIVE PROCEDURES

ADMISSIONS

DIOCESAN INITIAL ADMISSION REQUIREMENTS

Students who desire an educational experience founded on the Catholic philosophy of education and who fulfill the age, health, academic, and behavioral requirements are eligible to apply for admission to the school.

The school sets registration procedures and admission policies. The availability of space and the order of preference for admission is determined by the school according to the following general criteria:

- a. Children from the parish
- b. Children from parishes without schools
- c. Children from parishes with schools (for sufficient reason)
- d. Children from non-Catholic families

If approved by the pastor, and where practicable, siblings may receive special consideration.

AGE FOR ADMISSION TO KINDERGARTEN

Under Virginia state law (Code of Virginia 22.1-254) school attendance is compulsory for children who have reached their 5th birthday on or before September 30th of any school year. Readiness testing (fine/gross motor, speech, and language screen) is required for kindergarten entry and within 60 days of school admission for new students in grades 1 – 3. Additional school readiness testing may be conducted at the discretion of school officials. In those cases where the school has sufficient reservations regarding the potential for success, those students may be admitted on a conditional

basis with dates and criteria of evaluation established in writing; however, the decision of whether to extend or remove conditional admission status should be made by school officials at their discretion.

REQUIREMENTS FOR SCHOOL ADMISSION: PRESCHOOL – GRADE 5

- a. Presentation of an original birth certificate (schools are expected to keep a copy of the certificate on file)
- b. Baptismal certificate for Catholic students
- c. Proof of custody where applicable
- d. Current report card and previous academic years' report card as applicable
- e. Current standardized test scores and previous years, if applicable
- f. Completed Diocesan Application Form (*Appendix J*)

 - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A pre-school physical does not take the place of the required kindergarten entry physical even if it was completed within the 12 months prior to kindergarten entry. This is because some aspects required for kindergarten are not included in a pre-school physical – e.g., hearing and vision screening)
- i. Proof of satisfying tuition requirements at any former diocesan school if previously enrolled in a diocesan school

REQUIREMENTS FOR ADMISSION TO GRADES 6 – 12

- c. Proof of exact dates of immunization with signature of licensed healthcare provider
- d. Records from previous school, including standardized test scores
- e. Proof of custody where applicable

- f. Completed Diocesan Elementary or High School Application Form (*Appendix J*)
- g. A non-refundable application fee
- h. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or other U.S. state equivalent, which stipulates the following must be submitted prior to the student beginning school:
 - i. Proof of exact dates of required immunization as required by the Code of Virginia. Immunization records are required to be signed and verified by a licensed healthcare provider.
 - ii. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable.
- i. Proof of satisfying tuition requirements at any former Diocesan school if previously enrolled in a Diocesan school.

GENERAL CONDITIONS OF ADMISSION

A student is admitted to the school on the premise the student intends to learn the Catholic religion and be educated in a Catholic environment. In certain cases, students may be admitted on a probationary basis subject to the student successfully completing one or more subsequent interim evaluations. Students with academic or other needs (i.e. behavioral), which cannot be reasonably addressed by the school, may be denied admission.

School application forms may request disability-related information. The Americans with Disabilities Act (ADA) does not prohibit a school from asking questions about a student's disabilities provided that information does not automatically prohibit a student from applying.

F-1 (NON-IMMIGRANT)

1. F-1 (Nonimmigrant) students who apply for admission to a Diocese of Arlington Catholic school will be considered for admission, upon meeting the following conditions:
 - a. Meets Diocesan admission requirements:
 - i. A fully executed MCH 213G Commonwealth of Virginia School Entrance Form or equivalent, which stipulates the following must be submitted prior to the student beginning school:
 1. Proof of exact dates of required immunization as required by the Code of Virginia with signature of licensed healthcare provider.
 2. Physical examination covering all required aspects as mandated on the MCH 213G within 12 months prior to the first day of school and entering a new school for the first time. Equivalent school entrance physical forms from another state may be acceptable. (Note: A pre-

- a. A student must maintain status by attending classes until the transfer release date. Lack of attendance before the transfer date would be a violation of status and the student's SEVIS record should be terminated;
 - b. The student must report to the school within 15 days of the program start date and enroll full time in the first required session/term at the school;
 - c. When a student is transferring *to* a school outside the Diocese of Arlington school system, the Diocese of Arlington must transfer the existing I-20 in active status to the new school. It is the responsibility of the parent/guardian to contact the Office of Catholic Schools within 15 days of leaving the Diocesan school to have the I-20 transferred.
4. In order for international students to maintain F-1 (Nonimmigrant) student status, the Department of Homeland Security requires ongoing accounting. In that regard, schools are responsible for ensuring the enrollment status of all F-1 (Nonimmigrant) students is reported correctly. Reports for elementary school international students will be accessed through the Student Information System district database. Specifically, the school shall:
- a. Create and update elementary F-1 (Nonimmigrant) student record in the Student Information System, ensuring all fields pertaining to international students are completed. All F-1 (Nonimmigrant) student records must be completed and/or updated within 15 days of the beginning of every semester;
 - b. Notify the Office of Catholic Schools via the Semester Report on Status of F-1 (Nonimmigrant) Students Form if an F-1 (Nonimmigrant) student has been accepted by that school and fails to report to the school within 30 days of their program start date;
 - c. Notify the Office of Catholic Schools via the Semester Report on Status of F-1 (Nonimmigrant) Students Form within 15 days when an F-1 (Nonimmigrant) student transfers to another school or departs the United States;
 - d. Report via the Semester Report on Status of F-1 (Nonimmigrant) Students form any legal change in the name, address, or guardianship of an F-1 (Nonimmigrant) student within 10 days.
5. For students who hold a visa other than F-1, refer to Visa Types (*Appendix AJ*);
- a. Students who are currently in B-1 or B-2 status cannot begin their studies prior to approval of their change to F-1 (Nonimmigrant) student. Obtaining a change of status is the responsibility of the parent/guardian.
 - b. Students who are currently in B-1 or B-2 status may be enrolled to audit classes at the discretion of the principal for a limited time (generally not more than two months) but must still meet Diocesan admission requirements pertaining to the MCH 213G Commonwealth of Virginia School Entrance Form and provide documentation that they are free from communicable tuberculosis.
 - c. Students with a J visa for short-term exchange students will not be accepted into diocesan schools.

6. Any student applicant whose passport, United Nations travel document or other United States Citizenship and Immigration Services (USCIS) documents indicates that the student is a refugee, asylee, parolee, lawful nonimmigrant or legal permanent resident may be admitted to the schools of the Diocese of Arlington under normal requirements for admission. This policy would also include undocumented children.

CLASS PLACEMENT

The principal/administration and faculty reserve the right to place students in a class which is consistent with the results of the student's prior academic records and any admission testing.

Saint Timothy Catholic School does not accept parent/guardian requests for specific teacher placements.

ATTENDANCE

DIOCESAN POLICY FOR ATTENDANCE REQUIREMENTS

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is mandatory.

The school (K-8) is normally in session not less than 180 days per academic year or the length of time as required by the Virginia Catholic Education Association.

Once a child is enrolled in the school, it is the duty of the teachers and administrators to insist on regular attendance in order that the student can progress successfully through the curriculum. Neither the Diocese, the Office of Catholic Schools, the school, nor any of its employees are, however, responsible for ensuring actual attendance. This is the responsibility of the student's parent(s)/guardian(s).

Students in grades kindergarten through grade eight who miss ten or more days of the school year, whether excused or unexcused, and who have not satisfactorily completed the required work, may be considered for retention. Certification of absence by a physician is an exception to the ten-day limit. However, satisfactory completion of required work is still required.

If efforts to work with a family to improve a student's attendance are unsuccessful, a school should not keep an absentee student enrolled. Relatedly, schools should not continue to collect tuition from a family whose student is not regularly attending school.

ABSENCE/TARDINESS/LEAVING SCHOOL

In order to ensure continuous progress in school, regular attendance and habits of punctuality are essential. The school defines proper procedures as:

- a. A written excuse, explaining the reason for absence and signed by the parent/guardian, must be presented upon a student's return to school.
- b. Persistent absences may cause serious academic problems (including but not limited to course failure) and could result in the dismissal of the student. The administration or the class teacher will normally review the matter with parents/guardians before a decision is made by the administration. Persistent absences may also result in the student being subject to appropriate administrative action.
- c. Except in cases of emergency as determined by the principal/administration and/or a faculty member (as applicable or necessary), a student may only (a) be released from school with the prior written authorization of the student's parent/guardian, or (b) leave the school grounds with the prior authorization from the principal/administration.

TARDINESS

The tardy student will normally be subject to appropriate disciplinary action by the school administration or by the class teacher. A student who is tardy, as determined by local policy, should report to the principal's office or attendance office. A student who arrives late with an excused reason (i.e. doctor's note) is counted tardy. The student who is tardy due to unexcused reasons may be subject to appropriate administrative action. Frequent cases of tardiness should be brought to the attention of the principal so that the parent/guardian may be contacted.

ABSENCES FOR OTHER REASONS

When parents wish to take their student out of school for several days for personal and/or medical reasons, the parents should discuss the student's progress with the teacher. However, the school is under no obligation to provide a tutor, make-up work, or special testing schedules for such a period of absence. The administration has the sole discretion to determine the conditions and terms governing such absences.

ATTENDANCE/REPORTING PROCEDURES

ABSENCE

Saint Timothy Catholic School hours are: Monday through Friday, 8:00 a.m. to 3:15 p.m. Students are not permitted to enter the school building before 7:35 a.m., at which time they will be welcomed into the school building and supervised as they travel to their classrooms.

TARDINESS

A student arriving to school after 8:00 must sign in at the office before reporting to the classroom.

MEDICAL EXCUSES

Parents/guardians must meet students in the office before leaving for an appointment, and the parent must check the student back in at the office when returning.

A student must not return to school until at least 24 hours after an illness. Temperatures should be below 100.4 degrees for twenty-four hours and other symptoms must have subsided. If a student is not well enough to participate in school activities, they will need to be picked up by an authorized pick up person. The student should remain at home until they are symptom free and able to fully participate in the school day.

ANTICIPATED ABSENCE

In order to achieve the goals and objectives of the curriculum, regular attendance by the student is important. If an absence is anticipated, please notify the school through the School Dismissal Manager system or by calling the office.

RELEASE OF STUDENTS

Early release of a student should be requested through the School Dismissal Manager system or by calling the office prior to noon on the day of request. Before a student is released, parents/guardians must come to the office to sign out their child who will then be called to the office. The office staff may not be able to call a child to the office during school-wide dismissal, as they are assisting with the dismissal process. If parents/guardians need to have a child dismissed early, they should come to the office no later than 20 minutes before dismissal begins. To avoid being delayed by carline traffic, drivers should not park directly in front of the school when arriving for early student release.

TRANSFERRING TO ANOTHER SCHOOL

The school must be notified in writing by the parent(s) of a student regarding a decision to transfer a student to another school, including the last day the student will attend classes at school. All school-owned materials such as textbooks and library books must be returned to school and all fees paid before leaving. Student records will be sent to the new school upon a “Release of Student Records Form” from the new school. All fees and tuition **MUST BE PAID** prior to the release of the student’s records.

ARRIVAL AND DISMISSAL

Each school should formulate a policy of traffic, pedestrian, bike, and bus safety for its students and communicate this policy to all school personnel, students, and their parents/guardians. Older students in elementary schools and secondary school students may serve as traffic/pedestrian safety patrols at the discretion of the school principal. Within the scope of this designation, the students shall work under the supervision of and in cooperation with the school principal and the local police

liaison for safety issues.

ARRIVAL PROCEDURES

A staff member will be present to direct traffic each morning. For the safety of the students, drivers and walkers are required to comply with the instructions of staff members at all times. All vehicles are to enter the parking lot on the right side of the church and proceed to the right-most bay. Vehicles will be directed to form a single file line in front of the school. When the vehicle has come to a complete stop, students will exit vehicles and enter the building. Once students have safely exited the vehicles, drivers will exit the property to Poplar Tree Road through the left-most bay to the left of the church. The use of cell phones during the carline process is prohibited.

DISMISSAL PROCEDURES

Please note that during preparation for dismissal, the last twenty minutes of the school day, the phone and the security door buzzers may not be answered. This allows staff to tend to the needs of the children as they prepare to dismiss. Parking in front of the school during school dismissal hours is prohibited. Traffic should form two lines based on the direction of intended exit onto Poplar Tree Road. Directions given by staff must be followed. Cars must come to a complete stop and drivers must be free of distractions, including the use of cell phones. All families will be assigned a QR code and number prior to the start of school, and use the same number in successive school years. This information will be scanned by a staff member to notify staff and students of each arrival. Drivers must wait for a staff signal to move forward or exit the property.

LUNCH/MILK PROGRAM

Rules for acceptance and participation in the U.S. Department of Agriculture Child Nutrition Programs are the same for all students without regard to race, color, sex, age, handicap or national origin. Any person who believes he or she has been discriminated against in any USDA related activity should write to the Secretary of Agriculture, Washington, DC, 20250.

IV. GENERAL SCHOOL POLICIES

ADMINISTRATIVE

STUDENT CUSTODY AND GUARDIANSHIP

At the time of school entry or at any other time where a change in custody status/arrangements occurs, it is the responsibility of the parent(s) to provide the principal/administration with a true and

correct copy of the legal document for any student for which there is a legal custody agreement or for any student not residing with his/her parent.

School communication with the appropriate guardian is essential. Accordingly:

- a. Custodial parents should identify, in writing, other adults who may have access to information regarding their child.
- b. Non-custodial parents may receive information (when requested) regarding the child unless specific documentation to the contrary is provided in the legal custody agreement.

ACCESS TO RECORDS

Parents/Guardians have a right (unless prohibited by the courts in a custody agreement) to the timely inspection, during school hours, of the educational records (cumulative and confidential) of their child. The school shall respond to reasonable requests for explanations and interpretations of the records.

If the education records of a student contain information on more than one student, the parents' access is limited to the specific information about their child only.

Student records shall be open to authorized school personnel only (principal, assistant principal, and those to whom they extend access within a given year).

The school administration may elect to provide, at cost, photocopies of a student's educational records to parents, but documentation is to be stamped "unofficial."

TRANSFER OF RECORDS

Schools may disclose a student's cumulative record (i.e. Permanent Record card, attendance card, test results) to another school with legitimate educational interest provided a written request for such records is received, or when those individuals to whom the custodial parent/guardian has given written permission, have requested the child's records to be released. Parent signature is required for release of a student's confidential file (i.e. special education records, psychological reports, disciplinary records, anecdotal information, or reports by the school counselor).

Only copies of student records may be released. Original Cumulative Health Record and MCH-213 transfer with the student.

Parents/guardians may not hand-carry records to another school, except under extraordinary circumstances. If this occurs, the records are to be placed in a sealed envelope and marked "hand carried."

As a general rule, each school, at the discretion of its principal, shall have the right not to certify the student's graduation or provide transcripts of the student's academic record to third parties such as

other schools, colleges, or employers, or to issue a Certificate of Diploma to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations, infractions against the school's code of conduct).

CONFIDENTIAL ACADEMIC RECORDS

Parents/guardians are obligated to share educational/psychological testing results and any resulting plan with the school. If a student has a documented disability, a copy of the Individualized Education Plan (IEP), Individualized Services Plan (ISP), 504 plan, and/or Student Assistance Plan (SAP) should be maintained in the student's confidential file. The refusal to provide such information is grounds for terminating enrollment in the school.

Confidential records for dis-enrolled students are merged with the students' cumulative files.

RETENTION OF RECORDS

Permanent record card (to include transcripts, attendance record, and standardized test results) is to be retained indefinitely.

The following student records are to be retained for 25 years:

- a. IEP/ISP or 504 Plan
- b. Student Assistance Plan
- c. Eligibility Minutes
- d. Student Support Team Minutes

The following student records are to be retained for 7 years, or when the students reaches the age of 25, whichever is greater:

- a. Application
- b. Counselor Notes
- c. Discipline Notes
- d. Court Documents
- e. Psychological Reports

SCHOOL VISITORS

All persons other than school staff and currently registered students must first report to the school office immediately upon entering school grounds, sign-in, and wear an identification tag when visiting the school.

Visitors will need to provide a photo ID before being admitted to the school building.

If parents/guardians wish to deliver books, supplies, lunch items, etc. to students during school hours, these items are to be delivered to the office. Parents/guardians are not permitted to deliver items to the classroom. Items will be delivered to the classroom at the earliest convenience with respect to the teacher and learning environment. Please label all items with child's name and grade.

SCHOOL COMMUNICATIONS

All materials prepared by parents/guardians for release to the parish or school community must be approved by the principal or his/her designee.

Important information pertaining to school operations and policy can be found on the school website. In addition to the school website, the principal sends weekly email updates to provide up-to-date information regarding school activities, events and other topics of interest.

In the event of an unexpected school closure or emergency, families will be notified by text message, email, and voicemail via the School Messenger system.

A school calendar will be provided prior to the start of each school year in an electronic communication sent to each family. Any necessary changes will be communicated as soon as possible and will be updated on the school website.

A student directory will be published in the fall of each school year. The directory is a tool that is to be used exclusively for and by currently-enrolled Saint Timothy Catholic School families for the sole purpose of school communications. It should not be sold, posted online, shared outside of the school community or used for any other purposes.

PRINCIPAL'S COMMUNICATION

The primary form of communication from the principal is through a weekly email to all families called the "Tuesday Tidbits." The principal will also communicate urgent updates through the School Messenger system which notifies families through email, text message and voicemail. A copy of the handbook, school policies and curriculum guidelines are available through the website.

Meetings can be scheduled with the principal via email or phone call. Arriving to campus to request an immediate meeting will not be accommodated.

TAKE-HOME COMMUNICATION

All materials prepared by parents/guardians for release to the parish or school community must be approved by the Principal or his/her designee.

TELEPHONE USE/MESSAGES FOR STUDENTS

In the event that a parent/guardian needs to contact their child, they are asked to call the school office. The school office staff will take calls and assist families to the fullest extent possible while respecting the learning environment.

INCLEMENT WEATHER/SCHOOL CLOSINGS

In addition to the traditional 180 school days, schools should add at least three extra days to the school calendar each year to accommodate days off due to inclement weather or other non-weather-related emergencies. In the event these inclement weather/emergency days are not used, schools may dismiss for the summer after completing the required 180 school days. If, however, during the course of the year, the school uses more than three inclement weather/emergency days, it is not necessary for the school to extend its school year beyond the 183 budgeted days, provided the school has surpassed 1038 hours of instructional time (as defined by the Commonwealth of Virginia).

If, during the course of the year, the school uses inclement weather/emergency days, it may be necessary to modify the published school calendar.

If school closes unexpectedly for a single day, there will be no academic requirements for that day. If, however, the school will be closed for an extended period due to, weather, public health, or community concern, the school may transition into virtual instruction for the required duration. These will be count as instructional days.

In case of inclement weather, Saint Timothy Catholic School, in accordance with diocesan policy, may make announcements of “no school,” “delayed opening,” or “early closing” based on Fairfax County guidance.

On the rare occasion of a prior scheduled noon dismissal and cause for an alteration in schedule, the following procedure applies: if a one hour delayed opening is announced, school hours will be from 9:00 a.m. to 12:00 p.m. If a two-hour delayed opening is announced, school will be closed.

PHOTOS AND OTHER MEDIA

Parents/guardians may opt their children out of participating in videotaping, audio recording, school pictures, other photography, or participation involving the Internet. When a parent decides to exercise this right, the school is required to use the Waiver/Right to Object Form (*Appendix N*). All student or parental publications are subject to review and approval by the school administration prior to publication.

The Media Opt-Out form must be submitted to the school office prior to October 1.

MEDIA CENTER

All materials chosen for the media center must be appropriate for students, not only in age level and reading ability, but also for their capacity to foster our students' moral development. All materials shall conform with diocesan policies and guidelines regarding Catholic education.

Parents, guardians or teachers who object to print or multi-media materials used in the classroom must complete an Objection to Content Form (*Appendix K*) after they have read the book or viewed the media and then submit it to the school principal. Those objecting to materials obtained in the school media center should complete Objection to Content Form for Library Materials (*Appendix K-1*). A review committee (to include an Office of Catholic Schools member) will subsequently discuss the objection and decide the disposition of the challenged material. The parent or teacher initiating the review should be personally notified of the results of the review. The Superintendent of Schools has the final say in any subsequent question of this review.

FIELD TRIPS

Class visits to places of cultural or educational significance enhance the lessons of the classroom. Field trips, virtual or in person, are planned by teachers and approved by the school administration in order to achieve educational objectives. Financial considerations may bear on the feasibility and frequency of field trips.

Field trips are considered an extension of the school day and the code of conduct will apply.

A permission form signed by a student's parent(s)/guardian(s) must be obtained prior to a student participating in each activity (*Appendix R*, available in PowerSchool).

In the event private automobiles/vehicles of students, parents, or other authorized adults of at least 21 years of age are to be utilized to transport students on field trips, the drivers and/or the vehicle owners must have a valid driver's license and sufficient liability, medical, and uninsured motorist insurance coverage as defined by the Diocesan Risk Manager. Evidence to this effect must be presented to the principal/administration for review and approval prior to the use of such vehicles. Appendix R-1 must be used for this purpose. The principal/administration shall have the right to prohibit, for any reason, a proposed driver from transporting students on a field trip.

Youth weighing less than 100 pounds may not be seated in the front seat.

Cell calls and texting are not permitted while driving.

Parents/guardians are to be furnished with detailed written information about the field trip and must be given the opportunity to "opt out" their children from the field trip.

Teachers and other school employees should not drive students in their personal vehicles.

It should be understood, in rare instances, world conditions and specifically threats of terrorism against Americans may necessitate the cancellation of school-sponsored trips.

School-sponsored ski trips are not permitted.

Alcohol shall NEVER be served to minors, regardless of cultural norms and/or parent permission while on a field trip.

All medications given on field trips must comply with medication administration policies. For a student with prescription medication and/or medically necessary health related procedures or treatments, a trained individual needs to be present on the field trip such as” a school nurse, parent/guardian, or designated family member to ensure care in the case of an emergency. If a trained individual of the school is unable to chaperone the student on a field trip, it is the responsibility of the parent to provide a trained individual to accompany the student.

OVERNIGHT TRIPS

Overnight trips are not permitted for elementary school children.

MARCH FOR LIFE POLICY

Students are offered varied opportunities to participate in activities that promote the sanctity of life.

Principals may permit students in grades 7 and 8, with permission of their parent/guardian, to participate in the March for Life in a group sponsored by the school or the parish. Procedures detailed under “School-Sponsored Trips” must be followed. The principal is not authorized to permit students in grades K through 6 to participate as a group in the March for Life. Students with written parental permission may accompany their parents on the March for Life.

Students who accompany parents on the March for Life should not be marked as absent for that day. From time-to-time it has been the case that world or local events raise concern about the advisability of school-sponsored student participation in the March for Life and related events. When this happens, principals should use prudent judgment when deciding on attending the March and should consider appropriate alternatives that can be conducted at the school level.

GRADUATION REQUIREMENTS/CEREMONIES

Students must earn their certificate of completion. The school does not guarantee the award of this certificate to students. In order to graduate, students must satisfactorily complete (by attaining a passing grade) all courses as required by the Diocese of Arlington and the Commonwealth of Virginia. In addition, students must comply with all school regulations and policies.

The principal shall have the right to withhold certification of a student’s graduation or provide transcripts of the student’s academic record to other schools, or to issue a Certificate of Completion

to the student, if there has been a breach of a material condition of the contract (i.e., failure to meet financial obligations or infractions against the school's code of conduct).

Graduation ceremonies should be simple and dignified.

The Liturgy is highly recommended. Certificates signifying completion of studies may be given upon completion of 8th grade.

PARENT ORGANIZATIONS

Parent-Teacher Organizations (and like-named entities) support the critical relationship between schools and parents, the primary educators of their children. These organizations support the principal to advance the school's mission.

Every school should have an effective Parent-Teacher Organization. It can help mobilize the parent community regarding legislative proposals impacting Catholic education. The work of PTOs and like organizations shall be guided by the PTO Handbook and the direction of the pastor and principal.

All parent organization activities and all materials prepared by parents for release to the Parish or school community must be submitted to the principal or designee for approval prior to implementation and/or distribution.

All PTO monies must be deposited in the parish or school account as designated by the pastor. In consultation with the principal, the PTO officers should prepare a budget and submit it to the pastor and principal for approval.

PTOs shall have by-laws which establish, among other things, term limits for officers as well as the organization of committees. Persons nominated to serve as a PTO board member must receive the approval of the pastor and principal.

FUNDRAISING

Any program of generating additional revenue should have the approval of school leadership (pastor, principal, head of school). These activities should be organized and executed so that the school program is not interrupted.

Students may participate in, and cooperate with, worthy collections and fundraising projects conducted by a school or parish, provided such activities have been approved by the school leadership (pastor, principal, head of school).

TRANSPORTATION/PARKING

Transportation of students to and from school is the responsibility of the parent/guardian. Modes of transportation are limited to bus, car/carpool, walking and biking. Bus transportation, subsidized by the parish, is available for an additional fee. Ridership is available on a first come – first served basis providing residence location is able to be accommodated. Applications are available on the school website. Cross-busing is prohibited at all times. The office must be advised of transportation changes through the School Dismissal Manager system at least two hours before dismissal. Students who are car riders must be picked up using the carline procedures, which can be reviewed on the school website. Students cannot be picked up across the street from the church. Afternoon dismissal is at 3:15 p.m. Walkers must live within one mile from the school.

- d. Student attends, or is accepted by, a Catholic school in the Diocese of Arlington.

The deadline for submitting applications to the contracted vendor is determined annually. Applications received after the stated due date will be considered for tuition assistance if funds are still available.

Although students from families residing on local military bases are not domiciled in a Diocesan parish, those students are eligible for the Diocese of Arlington Tuition Assistance Program.

The funds from the program will be paid directly to the school that the qualifying student

attends. Schools will credit the tuition accounts for those families who have been approved to receive aid for that school year.

SAINT TIMOTHY CATHOLIC PARISH STATEMENT FROM THE FINANCIAL AID COMMITTEE

While the FACTS Tuition Management system evaluates need based strictly on financial criteria, the review process gives consideration to parishioner status, time, talent and financial contributions to Saint Timothy Catholic Church and School, family circumstances, and the length of time that students have attended the school.

Final awards will be communicated confidentially to individual families by the school administration prior to June 15 of the given year. Any questions or concerns should be directed to the Principal of the school.

SCHOOL TUITION POLICIES

A family's tuition obligation continues even if the school shifts to a virtual model. The education of each student continues with teachers planning and delivering lessons and assessing student progress. Report cards will be distributed at the end of each grading period. If a parent/guardian cannot make the regular tuition payment, the principal should be notified as soon as possible to create a payment plan.

To qualify for the Catholic tuition rate, the parent/guardian must be a practicing member of a Diocesan Catholic Parish, and the child's baptismal certificate must be on file. It is essential that parents/guardians of Saint Timothy Catholic School students understand that the school must operate within its tuition and income to pay for salaries and supplies. The Parish subsidizes the building and its maintenance. If a family is unable to meet its financial obligations, the school principal or preschool director be informed immediately. If any account exceeds thirty days overdue in payment, the school may begin procedures to withdraw the student for non-payment. The school will hold all academic records for students whose tuition accounts are not paid to date.

At Saint Timothy Catholic School, families must use the FACTS system to pay tuition and fees. The FACTS application fee is collected by Saint Timothy Catholic School and varies by payment plan selected.

New parents/guardians must fill out the FACTS enrollment form online in anticipation of the following school year, but no later than or upon acceptance. Payments may be made in full monthly, on the fifth or twentieth of the month, or semi-annually. Please consult the material on the FACTS system that is available through our school website and the FACTS website. The FACTS tuition collection service provides for automatic withdrawals from either a savings or checking account. Families who would prefer to pay by credit card may do so through the FACTS tuition collection, as well, for an additional fee.

Family accounts that are behind on payments may be ineligible for accruing additional costs. This can include, but is not limited to, Aftercare, school clubs and field trips.

TUITION AND OTHER FEE SCHEDULES

Saint Timothy Catholic School operates on a trimester system. In the event that a parent/guardian chooses to withdraw their child, the following policy will apply to any refund owing: if a child withdraws in the first trimester, the parent/guardian is responsible for the first and second trimester tuition, if a child withdraws in the second trimester or later, families will be responsible for the full year's tuition.

We understand that circumstances within families change. If a family applies, is accepted and enrolls, but is unable to attend Saint Timothy Catholic School and notifies the administration prior to June 30th, no additional fees will be incurred. If a family applies, is accepted and enrolls, but is unable to attend Saint Timothy Catholic School and does not notify the administration after June 30th, but prior to the first day of school, one trimester of tuition is due. The school is bound to contractual obligations based on enrollment figures that cannot be modified.

MID-YEAR ENROLLMENT

The tuition payment schedule and amount for students entering Saint Timothy Catholic School after the initial registration process will be communicated by the registrar.

VI. CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES

PARTICIPATION

In order for sportsmanship to be rooted in Catholic values, it is expected that coaches, athletes, and fans display respect, civility, and responsibility in words and actions before, during, and after all athletic contests and/or practices. These policies are developed to assist the schools in accomplishing their goal of providing a Catholic education which is rooted in the teachings of the Catholic faith, especially the practice of respect for each person. The policies outlined in this section exist to ensure good sportsmanship and fair play.

Participation in co-curricular and extra-curricular activities is a privilege, not a right. Students who successfully meet the school's academic requirements and adhere to the code of conduct may participate in co-curricular and extra-curricular activities.

When possible, separate athletic teams will be offered for each sex. Young people will participate on teams consistent with their biological sex and may not participate on teams offered for the other sex. When (for example, in swimming or track) a team may include both sexes, individuals will participate in events consistent with their biological sex. In the case of golf, if separate male and

female teams are not offered, members of both sexes may participate together on a single team in the same events. Girls are not allowed to participate in boys football and/or wrestling activities. Male wrestlers may not compete with female wrestlers from other schools at any time.

Students participating in school-sponsored team athletic activities must have proof of an annual physical. Submission of a pre-sport participation physical examination form and consent form for elementary- and middle school-based athletic program participation is required, excluding parish CYO.

TRANSPORTATION OF ATHLETES

Students participating in a school-sponsored sport who wish to travel to and from practice and games in a privately owned vehicle must have a written permission from their parent/guardian.

Although CYO athletic teams are separate and distinct from parish/school activities, the pastor/principal retains the right of possible intervention by the school in the event a significant incident would bring the reputation of the parish and/or school into question within the community.

SUPERVISION OF STUDENTS

The school is not responsible for providing supervision for students who remain on school property after the conclusion of the instructional day, unless the student is enrolled in an extended day/after care program, or participating in a school-sponsored activity (such as athletics or theater).

VII. STUDENT RESPONSIBILITIES & BEHAVIOR

CODE OF CONDUCT

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends, parents/guardians, faculty, and students work together to create a Catholic school environment. These basic components include:

- a. Teachers have a right to teach. No student will stop the teacher from teaching.
- b. Students have a right to learn. No student will stop another student from learning.

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

- a. will be honest and committed to integrity.
- b. will be respectful and courteous toward all teachers and adults.
- c. will refrain from harassment of any kind.
- d. will use appropriate language.
- e. will speak respectfully to and about others.
- f. will complete all assignments and participate fully in class.
- g. will respect all school and personal property (see *Care of School Property*).
- h. will refrain from any deliberate disruption in the school.
- i. will adhere to the school's cell phone policy.
- j. will comply with the Responsible Use Policy for Technology and Artificial Intelligence.
- k. will demonstrate good sportsmanship when engaged in all school-sponsored co- and extra-curricular activities.
- l. will be present for all required activities unless officially excused by the administration.
- m. will adhere to the dress code (see *Dress Code*).
- n. will not give or receive unauthorized assistance on tests, quizzes, or assignments.
- o. will not leave school grounds during the school day for any reason without permission from the principal/administration.
- p. will not bring to school, nor possess at school, any real or toy knives, guns (or any facsimile thereof), sharp objects that may be used as a weapon, matches, lighters, sparklers, laser devices, or any facsimile thereof. It is understood if this term is violated, suspension, or expulsion may result (see *Substance Abuse/Weapons* and *Inappropriate Materials*).
- q. will maintain, and support others who maintain, a safe and drug-free environment at, or near, school and at all school-sponsored functions/activities with the understanding that possession or distribution of alcohol, drugs, tobacco, or any other substance that may be harmful or dangerous and forbidden, to include drug paraphernalia, will result in suspension or expulsion from school (see also *Substance Abuse/Weapons*).
- r. will not engage in any physical or verbal contact with another student which could be interpreted to be an inappropriate display of affection. Such conduct is prohibited on school grounds or at school-sponsored activities.
- s. will, at all times, whether at school or in the community, conduct themselves in a manner which reflects the Catholic values and principles of the school.

All of the conduct expectations include student use of the internet.

HONOR CODE

The school observes this Code of Conduct because it is built on fundamental Catholic social teachings. The role of the principal/administration, staff, and faculty is to work with the students and parents/guardians to assist the students in developing a strong Christian attitude toward life.

Saint Timothy Catholic School desires to create a learning environment which fosters and is conducive to the educational development of its students in a manner consistent with Catholic values and the commandments. When we look at the seventh commandment, “You shall not steal,” we see that it forbids unjustly taking or keeping the goods of one’s neighbor and wronging him/her in any way with respect to his goods, both personal and intellectual. The commandment further commands justice and charity in the fruits of man’s labor, and for the sake of the common good, it requires respect for private property.

With the eighth commandment, “You shall not bear false witness against your neighbor,” the full meaning of the commandment includes both the prohibition against telling a lie and the precept of telling the truth. We know the temptation to lie never ceases. But, we need to follow God’s example of truthfulness and honesty in our actions and words. God wants us, as his children, to commit ourselves to truth and reflect it in everything we do. Thus, we need to understand and apply true values to life and concentrate on building character traits that will endure.

A cornerstone of Saint Timothy Catholic School is the school’s commitment to the principles of academic integrity. With the Ten Commandments as their guide, Saint Timothy students are also responsible for conducting themselves according to the virtues of integrity, honesty, fairness, accountability, responsibility, and trust in all academic matters. An Academic Honor Code accepts that students will act responsibly to complete academic assignments in an ethical manner in order to maintain an environment of trust among students, faculty, and administrators. Saint Timothy’s Academic Honor Code outlines the basic requirements and responsibilities to be used to guide conduct in academic performances.

Based on the principle that Saint Timothy students want to be trusted, the Honor System helps create and strengthen a school wide community of trust. As such and as part of the Saint Timothy Honor Code, each student is required to sign at the end of each assignment, and or abide by the following: “On my honor, I have neither given nor received any unauthorized assistance on this (homework, quiz, test, paper).”

The following kinds of honesty violations are not meant to be all-inclusive but to serve as examples of unacceptable academic conduct.

CHEATING

To give or receive unauthorized assistance on tests, quizzes, assignments, homework, projects...Conduct that constitutes cheating or the intention to cheat includes, but is not limited to the following examples:

1. Collaborating on assigned work or work submitted by any student including papers, projects, lab reports, other reports, and homework without permission

2. Using a cheat sheet, marks/writings on body, teacher textbook, note cards or notebooks, calculators/computers, cell phone, or any other technological device that would inappropriately enhance one's work without authorization.
3. Accessing prior knowledge and/or using tests, quizzes, midterms, finals, or other assignments (discussing a quiz or test with someone who has taken that quiz or test already in an earlier class period).
4. Having another student take a test or prepare an assignment, or assist in the test or assignment without approval.
5. Sending or receiving unauthorized information through hand signals or other gestures, talking, looking at someone else's test, showing your own test, or text messaging.
6. Submitting the same work in two or more classes without the teacher's approval.

LYING

To make a statement one knows (or should know) is false, with the intent to deceive or with disregard for the truth. Lies can be verbally or in writing, or by gestures that intend to convey a false impression or understanding. Conduct that constitutes lying includes, but is not limited to, the following examples:

1. Fabricating data or information.
2. Falsifying data or information.
3. Forging a signature on documents for school records.
4. Making statements that you know or should reasonably know have caused a false impression or understanding to have been created and failing to correct the false impression or misunderstanding.

STEALING

To take, get, or give another's property or ideas without permission or acknowledgement.

Conduct that constitutes stealing includes but is not limited to:

PLAGIARISM

- i. Copying writings, ideas, thoughts, images, or computer work of another without proper acknowledgement and/or citation.
- ii. Purchasing and/or using another's work or thoughts as your own

CONSEQUENCES FOR STUDENT OFFENSES AGAINST HONOR CODE

Violations of the Saint Timothy Catholic School Honor Code will yield a consequence reflecting the seriousness of the violation as well as promote respect for the rules of the community. In order to protect the students of Saint Timothy from further violations, the Saint Timothy Honor Code will demonstrate that justice and integrity matter, and, when appropriate, provide the student with opportunities to prove that he or she sincerely regrets any wrongdoing and is

committed to amending their actions. The appropriate administrator will determine the consequences that will be imposed. In determining the consequences for a violation, the administrator will take into consideration the severity of the offense and implement an appropriate response.

SUBSTANCE ABUSE/WEAPONS

The school makes every effort to make students aware of the dangers and consequences of the unlawful use of substances.

It is unlawful for any person to manufacture, sell, distribute, or possess with intent to sell, give, or distribute any controlled substance, imitation controlled substance, or marijuana while upon the property of the school; on any school bus; upon any public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity). If a student knows or suspects that any of the foregoing activities are occurring, he/she must immediately report the matter to the school administration/faculty so the appropriate law enforcement agency may be contacted.

If a student is suspected or is discovered to have (a) violated the foregoing policy with respect to any controlled substance, imitation controlled substance or marijuana or (b) used, possessed or distributed alcohol, tobacco, or e-liquids while upon the property of the school; on any school bus; upon public property or any property open to the public use within 1000 feet of the school (or any school bus stop when students are waiting to be picked up and transported to or are being dropped off from school or a school-sponsored activity), the student will be subject to disciplinary action, up to and including expulsion. In the event school officials believe that a student is under the influence of an illegal substance, the parents/guardians will be notified, and the student will be removed from class. School officials reserve the right to require that the student be taken for drug testing within 24 hours and that the results of the testing be shared with the appropriate school officials. If a violation of the law has occurred, the proper law enforcement agency will be contacted.

A student shall not possess or use drug paraphernalia, including, but not limited to: e-cigarette delivery devices, e-cigarette accessories, vaping devices, water pipes, cigarette paper rolling machines, and miniature scales on the property of the school, on any school bus and/or at any school-sponsored activity, whether discovered in an authorized search of his or her private property or on school property (e.g., lockers). Any student who violates this provision will be subject to disciplinary action up to and including expulsion.

A student shall not possess, use or threaten to use on the property of the school, on any school bus; and/or at any school sponsored activity, any weapons (including but not limited to any pistols, revolvers, rifles or other firearms, stun weapons, tasers, knives, flailing instruments [which may sometimes be known as nun chucks or fighting chains], sling shot, metal knuckles,

any type of pointed metal throwing disk or dart, mace, pepper spray, or other similar propellant or any type of explosive, incendiary or poison gas, bomb, grenade or rocket) or any facsimiles thereof, or any object that can be used with the intent of threatening or harming an individual, except when expressly authorized by a member of the school administration/faculty for authorized school purposes (such as knives for use only in food preparation activities in family life/home economics class; chemicals solely for use in instructional lessons as part of the school's academic curriculum; etc.). Any student who violates this provision will be subject to disciplinary action up to and including expulsion. If there is reason to believe a violation of law has occurred, parents as well as the proper law enforcement agency, will be immediately contacted.

DISCIPLINE

Because it is impossible to foresee all problems which arise, this handbook empowers the faculty and administration to take disciplinary action for any behavior (within or outside of the school community) which violates the spirit, philosophy, and code of conduct of the school, even though not specified.

In justice to the other students, circumstances may dictate that a student be removed temporarily or permanently from the particular school setting.

USE OF DISCIPLINARY ACTION

In cases where a student is continually disruptive of others or in the case of a single serious disciplinary infraction, the teacher will apprise the principal/administration of the situation. They will assist in the development of a course of action to be taken to correct the situation.

Students who lack self-discipline or who violate the rights of others can expect disciplinary action. Each offense will be dealt with on an individual basis according to the age of the student, the nature of the infraction, and the severity of the case. Repeated infractions can result in more serious consequences, up to and including suspension and/or expulsion, but there is no requirement for progressive discipline.

DISCIPLINARY MEASURES

The following are some approved disciplinary measures:

- a. Counseling and/or conference with the student and family
- b. Assignment of special tasks
- c. Denial of privileges
- d. Probation
- e. Suspension

f. Expulsion

SPECIFIC DISCIPLINARY POLICIES

The Saint Timothy Catholic School administration and faculty strives to develop a partnership with parents/guardians (the primary educators), to assist students with the necessary behavioral guidance and interventions to make choices that reflect the values of our shared faith.

Parent/guardian support of school interventions is essential to student success. Parents/guardians who are unwilling to support administration-issued disciplinary consequences should plan to meet with the school Principal to discuss alignment with the school mission.

SUSPENSION

Suspension may be imposed as determined by the principal/administration. Once the principal/administration suspends a student, parents/guardians may be required to sign a behavioral contract in which they signify their understanding of the problem and agree to work with the school in correcting the situation.

The failure of the parents to execute the above referenced agreement shall preclude the student from returning to the regular instructional program. This policy applies to in-house and out-of-school suspensions.

EXPULSION

Expulsion may be resorted to when one or all of the following are present:

- a. a serious infraction of school rules occurs;
- b. the student has demonstrated continuing disregard of school rules for which other means of discipline have proven ineffectual;
- c. the student's continued presence in the school is considered by school officials to be a serious hindrance to the safety or welfare of the school community;
- d. a parent/guardian repeatedly or seriously violates proper school protocol, displays inappropriate or disruptive conduct toward students or displays disrespectful, disruptive, or harassing behavior toward teachers, school, parish, or diocesan staff.

If the principal/administration believes it necessary to expel a student, the principal/administration will notify the student and the student's parents about the student's action and provide them with an opportunity to respond in accordance with the school's disciplinary hearing process before making any final decision on the matter.

A parent/guardian whose child is expelled may appeal this decision in writing to the Superintendent of Schools within 5 working days from the time of written notification.

During the pendency of any appeal, the expelled student shall be removed from the school community in compliance with the expulsion notice unless otherwise directed at the discretion of the principal/administration.

Students who have been expelled from any Diocesan school may not apply for admission to that school or another Diocesan school for a minimum of one (1) year from the date of expulsion.

STUDENT REGULATIONS AND PROCEDURES

Privacy of individual students must be balanced against the need to protect the health, welfare, and safety of other members of the school community.

STUDENTS AND STUDENT PROPERTY SEARCHES

The principal/administration or his/her designee has the right to protect the health, welfare, and safety of school patrons against drugs, weapons, unauthorized publications, and other contraband materials. Search of a student's person and/or personal property on school property (e.g. automobiles, etc.) or at school activities may be conducted by the school principal/administration or other designated officials. It is only necessary that a search be reasonable and related to the school rights in these regards. The failure of a student to voluntarily submit to a search shall be presumptive evidence of the existence of contraband and grounds for appropriate disciplinary action.

INTERROGATION OF STUDENTS

Unless provided with a court-issued warrant, the head of school or principal and the Office of Catholic Schools must first be consulted before law enforcement authorities are allowed to speak to any student about alleged illegal activities. This policy does not apply to Child Protective Services (CPS) officers, who are by law entitled to interview children.

The questioning by police officers of students in school or on school grounds about alleged illegal activities shall meet the following conditions:

- a. The principal, the assistant principal, or the principal's designee shall be alerted.
- b. The police officers shall report to the principal's office.
- c. Permission from the student's parent/guardian must be acquired, either by phone or in person, prior to questioning.
- d. The principal or a school representative shall be present.
- e. The questioning shall be conducted in a private room where participants cannot be seen or heard by students and/or other school personnel.

The police officers may take legal actions that they deem necessary.

STUDENTS AND STUDENT PROPERTY

Students are solely responsible for their own personal property. The school accepts no responsibility for items left unattended in the common areas of the school. It is the responsibility of the student to turn in wallets, watches, and other valuables to the physical education teacher/coach when participating in athletic events away from school. Items of personal property or clothing not directly related to academic or athletic events sponsored by the school should not be brought to school.

SCHOOL LOCKERS AND DESKS

Lockers and desks are school property and are subject to searches by school authorities to protect the safety of all. A student to whom a locker or desk has been assigned, has *vis-a-vis* other students, exclusive use of the locker or desk but has no proprietary rights versus the school.

Students are not permitted to open the locker of another student.

CARE OF SCHOOL PROPERTY

Students are to care for school property in a respectful manner. Students who deface or damage school property or the property of others will make financial restitution. If library books are not returned, students will be assessed an amount equal to the value of the book or its replacement, whichever is greater, as determined by the principal/administration.

DRESS CODE

The dress code provides a standard for our students, which fosters an environment conducive to learning and respectful behavior.

Final decisions regarding the school uniform and dress code rest with the principal/administration.

UNIFORM REQUIREMENTS & OTHER PERTINENT INFORMATION

Students must adhere to the summer and winter uniform requirements.

Students need to adhere to personal grooming standards. Hair should be well groomed and the color should be within naturally occurring color tones. Artificial hair colors such as green, purple, blue, pink, etc. are not permitted. Boy's hair may be no longer than the top of the collar and out of the student's eyes. Girl's hair accessories must be in school colors (gold, white, brown, black, or a combination of these.)

Specifics of the uniform policy by grade can be found on our school website: www.sainttimothyschool.org. This includes information on both summer and winter uniforms.

Additional information for all grades including Dress Up Day requirements and Dress Down Day requirements can be found on the website under the Uniform page. Please familiarize yourself and your student with these requirements. Students are not permitted to dress out-of-uniform on days where School Mass is attended.

INAPPROPRIATE MATERIALS

Students are not permitted to possess the following items on school property or at school functions:

Cell phones or smart watches
Cordless ear buds
Music players
Electronic games or devices
Real or toy weapons
Laser pointers
Incendiary devices

If students have cell phones or other electronic devices with them upon arriving to school, they are required to check these into the office with staff. They may pick up their devices at the conclusion of the school day. Any student not following this policy must turn the item over to the administration to be stored in the office. The item will not be released to students and a parent/guardian will be required to pick up the item from the front office.

PLAYGROUND REGULATIONS

Students are required to play safely and follow the directions of staff members during recess. The playground is for Saint Timothy Catholic School and Parish use only. Students should not sit or climb on the fence. Pets, bikes and roller blades are not permitted inside the fenced areas. Equipment is to be used only as the manufacturer intended. Any broken or damaged equipment should be reported to the school office.

LUNCHROOM REGULATIONS

Given the risk of potential harm, students' access and use of microwave ovens is prohibited in grades preschool through grade 5. Student meals provided by parents/guardians must not be heated in microwave ovens by school personnel and/or school volunteers.

The school administration can determine if middle school students may use a microwave oven.

Students and school volunteers are required to follow the instructions of staff members.

BUS REGULATIONS

There will be no cross busing. Students are required to remain seated at all times. Hands are to remain inside the bus at all times. No food or drink is permitted at any time. No musical or electronic devices are permitted. Students or parents/guardians may be held responsible for any damage to the busses. Students must respect the personal property of others at all times. Failure to follow the above regulations may result in disciplinary action as outlined previously in the handbook. All school employees and volunteers acting in a supervisory capacity are authorized to refer behavioral matters to the teachers and administration for resolution.

VIII. HEALTH, SAFETY, & WELFARE

STUDENT HEALTH, SAFETY, & WELFARE

Parents/guardians have the primary responsibility for the health and well-being of their children. School health services supplement, rather than substitute, for parental care and concern for the health of the students.

PREVENTION OF SEXUAL MISCONDUCT AND/OR CHILD ABUSE

The Catholic Diocese of Arlington Policy on the Prevention of Sexual Misconduct and/or Child Abuse generally applies to all clergy, all employees and all volunteers.

It is the policy of the Diocese that sexual misconduct and/or child abuse while performing any work or activity under the auspices of the Diocese is contrary to Christian principles and outside the scope of any authority, duties, and/or employment of any clergy, employee, or volunteer.

Virginia law imposes upon school personnel the legal responsibility of reporting to the local child protective services agency any incident of suspected child abuse or neglect.

School personnel who suspect the abuse or neglect of a student must report the matter directly to Child Protective Services and to the school principal (who in turn will call the Vicar General). The school principal should complete Attachment B found in Appendix G, which must be sent to the Vicar General. The school principal must inform the superintendent as well.

In accordance with the *Code of Virginia*, (Section 63.2–118, “Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent/guardian, legal custodian, or other person standing in *loco parentis* or school personnel.”)

WELLNESS POLICY

The Diocese of Arlington Office of Catholic Schools Wellness Policy meets minimum federal standards and establishes goals for physical education, nutrition, and healthy environments in schools. All schools must develop, and continue to evaluate, local school wellness policies. The local policies create a framework for increased student activity, staff wellness, safe and healthy environments, and the elimination of foods of minimal nutritional value during the school day. All schools have wellness committees to implement, sustain, and evaluate the local wellness program.

ACCIDENTS AND FIRST AID

The parents/guardians of an injured student will be notified of the accident/injury by the principal/administration or the principal/administration’s designee as soon as reasonably possible, taking into consideration such factors as the apparent severity of the accident/injury and the priority

of providing assistance to the student.

If an incident results in a medical condition or injury which can be reasonably known to the appropriate supervisory faculty/staff member and/or the principal, the school and/or its staff are authorized to render reasonable basic first aid if such direct medical assistance would, in the opinion of the school, serve to minimize the severity of the injured person's condition. As an example, staff should initially resort to using only ice, band aids, soap and water when treating cuts and/or scrapes to avoid any possible known or unknown allergic reactions to salves or creams. In addition, staff may secure a professional diagnosis and/or treatment if such action, in the opinion of the school, appears to be reasonably warranted. The school and school officials shall be expressly held harmless from any liability costs or expenses associated with the professional diagnosis and/or any treatment or first aid provided (including but not limited to the cost of transportation), such costs or expenses being the responsibility of the injured party or, if a student, the student's parents.

AIR QUALITY AND PREVENTION OF HEAT/COLD RELATED ILLNESS

When students and activities require time outside, schools will monitor weather related to the 'feels like' temperature. To prevent heat and/or cold related illness, outside activities may be restricted based upon a heat index or wind chill factor, which registers in the caution level. Schools will consult local weather reports and Appendix F-15 for guidance in outdoor activities. Schools that do not have air-conditioned classrooms are permitted to provide early dismissals in accordance with Appendix F-15.

ILLNESS

Each school will provide a health office or comfortable space, apart from the student population, where children who become ill or injured can be cared for following *Virginia School Health Guidelines*.

Children with fevers, contagious, or infectious diseases will be sent home promptly and excluded from school while in that condition, per Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a healthcare provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school, aftercare, and extracurricular activities.

When a student is requesting a waiver from participating in Physical Education classes and/or recess, parents are required to submit a written statement from their child's physician which states any activity restrictions with regard to participation in Physical Education classes and/or recess. The statement is expected to include a specific time frame for the activity restrictions.

MEDICATION ADMINISTRATION OVERVIEW

All school clinic, administrators, and staff are required to administer medication within the framework of the procedures outlined in diocesan policy and summarized here.

All prescription and over the counter (OTC) medications may be administered during the school day under the following conditions:

- a. When the need for administration of medicines during school hours has been confirmed by the school nurse/health assistant (or the school administration);
- b. After the first dose of any medication has been given at home;
- c. When the parent/guardian provides and transports the medication to and from school and the medication is given directly to the school nurse/health assistant or a senior member of the school administration;
- d. When there is a licensed health care provider's written order signed by the parent/guardian requesting the school administer the medication or to permit the student to self-administer the medication;
- e. When the medication is brought to the school in its original container stating the name of the student, the dosage and method of administration prescribed by a licensed health-care provider. It is the parent's or guardian's responsibility to notify the school of any changes to the original prescription. The new prescription must also be brought to the school in the original container as stated above;
- f. When the appropriate medication authorization form (*Appendix F-6*) has been completed, signed by the parent/guardian and accompanies the medication;
- g. For any medication, parents must document the number of tablets or dosages to be secured for administration by authorized school personnel. If tablets are to be divided, the parent or guardian is responsible for dividing the tablets in order to achieve their child's proper dosage.
- h. Herbal and homeopathic medications will not be given in Diocesan schools without written authorization by a LHCP that shall include desired and adverse effects. Protein supplements will not be administered unless directly requested by a physician with a health treatment plan.
- i. Students should not attend school while taking prescribed Schedule II narcotics (e.g. Percocet, oxycodone, hydromorphone) for any legitimate reason. If a student needs a Schedule II narcotic analgesic they shall remain home until they are able to control pain with OTC medications.
- j. Benzodiazepines (e.g. klonopin, Ativan, diazepam) prescribed as needed (prn), should not be administered in any school setting. This does not apply to students diagnosed with a seizure disorder.

Under no circumstances are medications to be shared with other students.

If a student with a known condition warrants oxygen treatment at school, the treating LHCP and registered nurse shall develop a written plan of treatment including all equipment and supplies.

The Diocese of Arlington does not permit the use, possession, or transfer of marijuana, including Cannabidiol (CBD), Tetrahydrocannabinol (THC-A) and Cannabis Oil, for any purpose. Students who qualify under local law to use marijuana for medical purposes may not possess, store, use or share marijuana on school property or at school-sponsored events.

Picc Lines, Heparin/Saline Locks, and Central Venous Lines may be present in students with specialized health care needs. Dressing changes, heparin flushes, and other medication administration via these lines are to be done at home, not at school.

When the medication is epinephrine, trained school employees are permitted to administer Epi-pen injections when:

- a. the parents advise the staff most directly involved with the student of the situations when an Epi-pen may need to be administered (e.g., symptoms indicating that a person is suffering from severe allergic reaction, basic procedures for administering the Epi-pen with a suitable demonstration);
- b. parents of students requiring such injections provide a licensed health-care provider letter attesting to the life-threatening allergy;
- c. parents agree to execute the release of liability/hold harmless agreement regarding the use of the Epi-pen.

All diocesan schools will maintain non-student-specific school stock epinephrine. This school stock epinephrine can be used in an allergy-naïve student when anaphylaxis is suspected. Employees at the school will be informed of the location where the medication will be stored, and they will be appropriately educated on its use.

All diocesan schools will maintain naloxone, an opioid antagonist, to be available for use if opioid overdose is suspected in any individual on school campus. Any student receiving naloxone will be transported via EMS to the local emergency room and cleared to return to school. All staff will be trained in how to recognize opioid overdose and administer naloxone.

A student is NOT permitted to self-medicate. The school does not assume responsibility for medications taken independently by the student. Exceptions may be made on a case-by-case basis for students who demonstrate the capability to carry and self-administer emergency lifesaving medications (e.g. inhaler, Epi-pen).

All OTC and prescription medications are to be kept locked in the clinic/school office and be administered by the school nurse, clinic aide, principal or trained designee. No student is to carry/possess medications without appropriate medical authorization. No medication will be administered unless the school has received a signed copy of the Medication Authorization Form (*Appendix F-6*). OTC medications do not require a health care provider's signature unless the

medication is required for four (4) or more consecutive days.

It shall be the student's responsibility to come to the clinic/school office at the appropriate time for medication unless a health care provider or parent/guardian indicates in writing that the student cannot do this.

Within one week after expiration of the effective date on the order, or on the last day of school, the parent/guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.

LIFE THREATENING ALLERGY

Schools will utilize current resources and reputable materials such as: Food Allergy Research & Education (FARE) and the CDC's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* to develop allergen management communications for student handbooks, classrooms, and parental publications.

All schools must provide an annual in-service educating school faculty and staff about the policy. Training will include minimizing the risk of exposure to life threatening allergens in the school setting as well as anaphylaxis recognition, medical management, and incident reporting.

Schools will utilize the policy to develop allergen management communications for student handbooks, classrooms, and parental publications. Schools will select and train staff to be utilized as anaphylaxis response teams responsible for managing an allergic crisis.

Parents/guardians of students with a life-threatening allergy must inform the principal and school health personnel of any allergies and provide schools with fully executed diocesan documents. Parents/guardians are expected to supply schools with any emergency medications as prescribed and may additionally provide the student with "safe" foods for classroom celebrations involving food. Schools will utilize diocesan documents to formulate an emergency care plan for the student and will share this care plan with those involved with the student including, but not limited to: teacher(s), food service, bus drivers, and janitorial staff.

TELEHEALTH

Medical appointments made via telehealth cannot be facilitated in the school building. If a student has been scheduled for a telehealth visit for medical reasons, the parent/guardian will need to check his/her student out of the school building and complete the appointment in the privacy of their vehicle or at home.

If a school is able to adequately support virtual regularly scheduled therapy sessions in the building (e.g., occupational or speech therapy) for students with a documented diagnosis, they can do so on a case-by-case basis after evaluating the specific circumstances.

SPECIALIZED STUDENT CARE NEEDS

The parent/guardian of any student on a continuing regimen for a non-episodic condition shall inform the school principal/administration and identify, in writing, the student's supervising health care provider. If necessary, and with parental written consent, there may be occasions when the school needs to communicate with the health care provider regarding possible effects on the student's healthcare management, special emergency procedures, or behavior at school.

TOILETING/INCONTINENCE

Although the vast majority of school staff would assist in an emergency situation, as no child should be left in wet or soiled clothing, it is important to note that there is no expectation that routine and predictable incidents are to be dealt with by school staff.

Parents/guardians will always be contacted in incidents of soiling. The exception to this policy is the student with a prescribed health-related treatment or procedure plan obtained in writing from a LHCP, with proper authorizations in writing by the parent or guardian.

For preschool students, it is recognized that continence training is an area of development which is reached at different ages for all children and that every child has individual needs which are respected. The preschool director will determine age-appropriate protocols for the student population.

USE OF CRUTCHES

An order from a licensed healthcare provider is required to use crutches at school. If a student arrives at school on crutches without a licensed health-care provider order, the parent will be called to take the student home.

CONTROL OF COMMUNICABLE DISEASES

DISEASE

Parents/guardians must notify the school within 24 hours if their child or any member of the immediate household has developed a communicable disease. Parents must notify the school immediately if the disease is life threatening. Parents must pick up their sick or injured child in a timely manner when contacted. If the parent cannot be reached, emergency contacts will be called to pick up the child.

The protection and welfare of each individual student is of great importance in the schools of the Diocese of Arlington. In an effort to enhance the protection of students:

- a. No daycare/preschool, elementary, middle, or secondary school student may attend class without documentary proof of adequate immunization in accordance with Virginia

Department of Health's school entry requirements (or modified schedule as approved by licensed health care provider) on the Virginia School Entrance Health Form MCH-213G (*Appendix F-2*).

- i. A certificate of immunization is not required for any student for whom the school has written certification from a licensed doctor of medicine or osteopathy, licensed nurse practitioner, or the local health department, that one of more of the required immunizations may be detrimental to the student's health. The certification must indicate the specific nature and probable duration of the medical condition or circumstance that contraindicates immunization. The Virginia School Entrance Health Form (MCH-213G) provides a space for such a certification to be made
 - ii. On a basic level, for the good of society, the Catholic church generally encourages the use of immunizations. The Church teaches that questions of immunization are 'left to a matter of conscience' and parents have the right to decide about the health of their children in this matter. Parents or guardians who object to the administration of immunizing agents for their child on the grounds that this conflicts with their religious tenets or practices must produce a notarized Certificate of Religious Exemption form (*Appendix F-18*), which will be retained in the student health record. Schools may request a statement from their parish priest or affiliate, describing such objection to specific immunizing agents. If an outbreak of a vaccine-preventable illness occurs, the student who is not immunized against that disease, will be excluded from school for an undetermined period of time as per the instructions of the State Health Commissioner and the public health department.
- b. Students who have traveled or resided in a foreign country for three months or more, where tuberculosis is common, are required to provide documentation, prior to school entry, of a negative tuberculosis skin test or chest x-ray result. All diocesan schools are responsible for compliance with local health department regulations pertaining to tuberculosis screening and treatment.
 - c. Students with fevers and/or contagious or infectious diseases will be sent home promptly and will be excluded from school while in that condition, according to the Virginia Department of Health regulations. Once the student is confirmed to be free of communicable illness by a health care provider or is fever free/symptom free for 24 hours without taking anti-fever medications, the student may return to school.
 - d. School health personnel will follow the Virginia Department of Health Communicable Disease Chart, found in the *Virginia School Health Guidelines*, when referring suspected cases of communicable disease to the local health department for excluding or readmitting a student.

- e. The Diocese of Arlington has comprehensive guidelines for school/parish-based influenza vaccination clinics. The liability associated with the vaccination of children is great. The Diocese of Arlington does not promote school-based vaccination clinics for children during school hours, and in the absence of the parent, with the exception of a state or federal emergency. Any school wishing to offer an onsite school immunization program must comply with all aspects of the Memorandum of Agreement Vendors wishing to serve as vaccinators must be fully vetted by the Office of Risk Management prior to the signing of any contract for services.

LICE

All students identified as having an active case of lice will be excluded from school until they receive treatment. It is the responsibility of the parent/guardian to provide appropriate and adequate treatment for the student and home environment as recommended by their health care professional. Readmission to school is determined by the school nurse/administration based upon re-inspection and the effectiveness of treatment. Follow up treatment is expected and verified by the school nurse/administration. Classroom contacts may be inspected.

BLOODBORNE DISEASE

The Christian community is called to respond to the sick in our midst with compassion and justice. The diocese recognizes its obligation to protect the rights of individual students infected with Hepatitis and Human Immunodeficiency Virus (HIV) and to provide a safe environment for students, staff members, and the public. Students who are infected with bloodborne Hepatitis, Human Immunodeficiency Virus (HIV), or HIV-related conditions must be provided the opportunity to receive a Catholic school education.

Since it is known that bloodborne Hepatitis and HIV are not transmitted through casual contact, any student who is infected will continue education in a regular classroom assignment unless his or her health status requires otherwise. It is the intent of the Diocese of Arlington Office of Catholic Schools to follow the recommendations of the U.S. Centers for Disease Control and Prevention (CDC) and the Virginia Department of Health, which state that most bloodborne Hepatitis and HIV-infected children be allowed to attend school in an unrestricted setting, and that decisions regarding school attendance be based on the medical condition of each child and the expected type of interaction with others in that setting.

Persons involved in the implementation and monitoring of this policy shall maintain confidentiality of records in compliance with federal and state law and diocesan policy. All diocesan schools shall also maintain a program of information and training for school staff members to ensure a consistent and accurate understanding regarding prevention of exposure to bloodborne pathogens. This includes training related to the proper application of universal/standard precautions.

FIRE/EMERGENCY DRILLS

To ensure the safety of children, personnel and visitors to Saint Timothy Catholic School, regular emergency drills and inspections of the physical plant for fire safety are to be conducted throughout the school year. Fire drills are to be conducted weekly for the first four weeks of the school year, and once a month thereafter. Emergency drills, such as lockdown, shelter –in-place and tornado drills, are to be conducted without advanced notification to the staff or students, and drills should be evaluated for effectiveness by the administration.

HARASSMENT

Harassment can take place in person or in writing and can be physical, verbal, or electronic. Regardless of its form, the Diocese of Arlington prohibits it.

This policy applies to the school site itself, to all school-sponsored and affiliated activities and events, whether in school or out of school, including but not limited to special events, field/service trips, retreats and/or other overnight trips, sporting events and practices, to all forms of transportation used by school personnel and students to come and go to the school and school-affiliated activities, and to all forms/use of technology.

Furthermore, since student behavior, whether inside or outside of school, reflects on our schools and can have a significant impact on life at school, there are times when it is appropriate and important for school administration to respond to incidents that occur outside of school and beyond school hours. Therefore, the schools reserve the right to discipline those in the community who engage in harassment of other school community members at any location and at any time if such harassment takes the form of obscene, libelous, slanderous language or incites violence, invades the rights of others, or contributes to a substantial disruption of the school community. Therefore, if such harassment originates outside of school and it comes to the attention of school staff, appropriate action will be taken to maintain a safe and respectful work and academic environment. As the primary educators of their children, parents have the responsibility to handle harassment issues not involving the school and that are occurring outside of school.

Bullying, harassment, intimidation, or retaliation against anyone who has reported these behaviors is prohibited. Students engaging in these behaviors are subject to disciplinary and/or legal action. Students, parents, employees, and service providers are responsible for reporting incidents of bullying, harassment, intimidation, or retaliation on campus. School principals will ensure that all illegal behaviors are reported to the appropriate local authorities and the Superintendent of Catholic Schools immediately.

SEXUAL HARASSMENT AND/OR SEXUAL ABUSE – STUDENTS

No student is to sexually harass or sexually abuse another person. All reports of harassment or abuse will be thoroughly, and appropriately investigated, and disciplinary action will be taken as appropriate, up to and including expulsion. Instances of sexual abuse, that has been investigated and confirmed, will result in suspension at a minimum. If it appears that a violation of criminal law may have occurred, the matter will be reported to law enforcement authorities. During the investigation of an alleged crime, a student alleged to have perpetrated or participated in it may need to be asked to leave campus.

Any student who believes that he or she has been sexually harassed or abused needs to immediately report such information to a trusted member of the school staff. If a student makes a report, the staff member will report the information to the principal. A student who is uncomfortable for any reason with reporting such alleged harassment/abuse to a trusted member of the school staff, or is not satisfied in doing so, may report the matter directly to the Superintendent of Schools. Any information reported shall, to the extent possible, be treated as confidential.

No student will be subject to any retaliation or disciplinary action on the part of the school for reports of sexual harassment/abuse made in good faith.

Children under 17 years of age cannot legally consent under Virginia State Law to having sex or sexual contact with an adult. **Any sexual contact between a student under 17 and an adult is a crime. It must be reported to the police.**

In addition, any sexual or romantic conduct between a school employee or an employee of a contracted service provider and a present student of any age, even if 17 years of age or older, and even if consented to or welcomed by the student, is strictly prohibited by this policy while the student is attending a diocesan school and for one year post-date of graduation, and will result in dismissal of the adult involved. As such, this policy prohibits sexting between students and employees or employees of contracted service providers and the showing of pornography to any student by any such adult. Such activity will result in the dismissal of the adult involved and the reporting of such conduct to the appropriate authorities.

In an effort to minimize/address sexual harassment/abuse, students in grades 6 to 12 must receive appropriate age level instruction pertaining to harassment by September 30th of every school year (*Appendix AB*). The Validation of Sexual Harassment Instruction must be completed and submitted annually to the Office of Catholic Schools by September 30th (*Appendix H-1*).

The Office of Catholic Schools expects staff members who become aware of an incident of bullying or cyberbullying to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she shall report the bullying to the school principal for further investigation.

In cases of reported bullying, the principal or designee shall interview all students involved (i.e. the alleged aggressor(s) and the alleged target(s)) and investigate, as appropriate. This investigation may include interviews with students, parents/guardians, and school staff; review of school records; and identification of parent and family issues. Hazing is prohibited. School personnel will not tolerate any hazing on diocesan school grounds, in virtual school, or at any school-sponsored activity (on or off school grounds). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of hazing to report it to appropriate school personnel (e.g. principal, teacher, school counselor). In addition, the Office of Catholic Schools expects students and parents who become aware of an act of racism to report it to appropriate school personnel (e.g. principal, teacher, school counselor). The Office of Catholic Schools expects staff members who become aware of any racism incident to take appropriate steps to intervene unless intervention would be a threat to staff members' safety. Every instance of suspected racism should be brought immediately to the attention of school leadership.

In cases of reported racism, the principal or designee shall interview all students involved (i.e., the alleged aggressor(s) and the alleged target(s)) and investigate, as appropriate. This investigation may include interviews with students, parents, and school staff; review of school records; and identification of parent and family issues. Any student who retaliates against another for reporting racist behavior will be subject to appropriate consequences.

RESPECT FOR LIFE

A fundamental tenet of our Catholic faith is that human life must be respected and protected absolutely from the moment of conception. In the event of a student pregnancy or participation in an abortion, the school may condition continued enrollment in the school upon the student's/family's compliance with the foregoing and other corollary tenets of the Catholic Church.

ASBESTOS MANDATORY YEARLY NOTIFICATION

ASBESTOS NOTIFICATION

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires schools to be inspected to identify any asbestos-containing building materials.

The law further requires an asbestos management plan to be in place. You are welcome to review a copy of the asbestos management plan at the school during regular business hours.

VIDEO SURVEILLANCE CAMERAS

School leadership at each individual school must install video surveillance cameras in order to maintain a safe and secure environment.

- a. Video surveillance cameras may be placed in public locations deemed appropriate. Such locations may include, without limitation, school entrances/exits, lobby areas, hallways, classrooms, cafeterias, athletic areas, gathering spaces, and outdoor grounds, as well as school buses.
- b. Restrooms, changing rooms, private offices, nurse's offices, and locker rooms are excluded from security camera use.
- c. It is recognized that it will not be possible to monitor all building areas, rooms, and grounds, or to monitor any location at all times.

To the extent video images may be deemed appropriate to create student records or personnel records, the school shall comply with any applicable state and federal laws related to record maintenance, retention, and disclosure.

Video images obtained by the school shall be viewed by authorized school and diocesan personnel as necessary. The school and the diocese may rely on the images obtained by the video surveillance cameras in connection with the enforcement of diocesan or school policies,

regulations, codes of conduct, building rules, and other applicable laws or rules, including, but not limited to, use of such images in student disciplinary proceedings and matters referred to local law enforcement agencies in accordance with applicable law. Video images may become part of a student's educational record in accordance with applicable law.

All video recordings shall be stored in a secure place. Recordings will be saved for no less than 60 days and may be retained longer if deemed appropriate. All video recordings are the sole property of the Catholic Diocese of Arlington. Release of such videos will be made only with the permission of the diocesan Superintendent of Schools or his/her designee.

X. EXTENDED DAY

EXTENDED DAY PROGRAM

The school offers an extended day program on days when the school is in session for students who are currently enrolled in the school's academic program. See Section IV, *General School Policies*, regarding fees to utilize this program. Parents/guardians must sign their child(ren) in/out when they are being placed in/released from the program at the beginning and end of the school day, respectively. All provisions in this handbook (except Section II, *Academics*, but including the section on *Technology*), apply to the Extended Day Program.

CRISIS MANAGEMENT/EMERGENCY PREPAREDNESS PLAN

A Crisis Management/Emergency Preparedness Plan has been developed and approved. All employees have been trained accordingly.

All non-prescription drugs and over-the-counter skin products shall be used in accordance with the manufacturer's recommendations. Non-prescription drugs and over-the-counter skin products shall not be kept or used beyond the expiration date of the product. All products to be used must have a Medication Administration Form (*Appendix F-6*) completed by parent/guardian.

For all over-the-counter skin products:

- b. shall be in the original container labeled with the child's name;

- e. children nine years of age and older may administer their own sunscreen, if supervised.

When insect repellent is used, a record shall be kept that includes the child's name, date of use, frequency of application, and any adverse reaction. Manufacturer's instructions for age, duration, and dosage shall be followed.

LICENSING INFORMATION

The Commonwealth of Virginia helps assure parents/guardians that child day programs that assume responsibility for the supervision, protection, and well-being of a child for any part of a 24-hour day are safe. The Code of Virginia, Section 63.2-1716, allows child day centers operated by religious institutions the opportunity to file for an exemption from licensure by meeting documentation and other requirements specified within the religious exemption law.

RELIGIOUS EXEMPTION

In compliance with the Code of Virginia, Section 63.2-1716, ALL Diocese of Arlington Preschools and are religiously exempt from licensure and are classified as a "religiously exempt child day center."

If you would like additional information about the licensing of child day programs or would like to register a complaint, please call the Office of Child Care Licensing toll-free at 833-778-0204.

INSURANCE

The extended day program is covered by public liability insurance through the Diocese of Arlington and the Catholic Mutual Relief Society of America. Student insurance must be provided by the family through their own policy or purchased through an independent school insurance provider.

TAX INFORMATION

Because the Internal Revenue Service requires identification of care givers in order to claim a credit for child and dependent care expenses, the program staff will complete and return to the parent/guardian any W-10 that is sent in, provided Part II is already completed by the parent.

PARENTAL/GUARDIAN INVOLVEMENT

In compliance with state regulations for state licensed programs, a custodial parent/guardian shall be admitted to any child day program. Such right of admission shall apply only while the child is in the child day program (63.2-1813 of Code of Virginia).
