### A Message from the Board

We are so grateful for our amazing parent volunteers! Thank you to Tina Lu, Mari Roquiz, and Kristin Spillane for organizing another successful Santa's Workshop! This event takes a lot of planning and organization and you all made it look easy...THANK YOU!

Shout out to Emily Ingalls for helping us get some new spirit wear. We can't wait to wear it in our community. We hope to offer it again in the spring, so stay tuned!

Kelli Patrick and Heather Hall have been hard at work organizing the student Christmas luncheon on December 15th. The kids will love the pizza and might even get a special visitor!

### December Updates!

Thank you for helping us meet our goal of raising \$70,000 toward upgrading our classrooms! Our students also completed 863 Acts of Kindness and donated over 50 coats to those in need. We are so grateful. A special thank you to Beth Corliss, Tori Keller, and Michelle Kabadi for all of their help!

The PTO sponsored Staff Christmas Party will be on December 15th. Our theme is Mele Kalikimaka and we'll have appetizers, dessert, games, and lots of laughs! Be on the lookout for pictures of this fun party!
