A Message from the Board

We are excited to welcome all of our new and returning families to the 2022-2023 school year! It is going to be another great year at STS and we are thrilled to be a part of it.

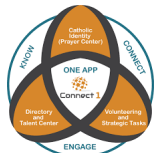

We have several events on the horizon and could use your help! If you are interested in volunteering to chair a committee or would like to help support an upcoming event, please email us at stspato@sttimothyparish.org. We want your ideas!

In the past, the PTO has helped raise funds to support classroom renovations, technology upgrades, department & teacher supply purchases, student activities and much more. We are working hard to develop our goals for this school year and plan to share them soon. Please stay tuned!
